

F. Federal Award Administration Information

1. Federal Award Notices

Following the evaluation outlined in Section E, the Secretary will announce the selected grant award recipients. The award announcement will be posted on the MARAD website (<https://www.marad.dot.gov>).

2. Administrative and National Policy Requirements

All awards must be administered pursuant to the “Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards” found at 2 CFR part 200, as adopted by the Department at 2 CFR part 1201. Federal wage rate requirements included at 40 U.S.C. 3141–3148 apply to all projects receiving funds under this program and apply to all parts of the project, whether funded with Federal funds or non-Federal funds. Additionally, all applicable Federal laws and regulations will apply to projects that receive Marine Highway Grants.

MARAD and the applicant will enter into a written grant agreement after the applicant has satisfied applicable administrative requirements, such as environmental review requirements. The grant agreement is the fund-obligating document and will also describe the period of performance for the project as well as the schedule for construction or procurement. Funds will be administered on a reimbursable basis. MARAD reserves the right to revoke any award of Marine Highway Grant funds and to award such funds to another project to the extent that such funds are not expended in a timely or acceptable manner and in accordance with the project schedule.

As expressed in Executive Orders 13788 of April 18, 2017 and 13858 of January 31, 2019, it is the policy of the executive branch to maximize, consistent with law, the use of goods, products, and materials produced in the United States in the terms and conditions of Federal financial assistance awards. Consistent with the requirements of Section 410 of Division H—Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2020, of the Further Consolidated Appropriations Act, 2020, (Pub. L. 116–94), the Buy American requirements of 41 U.S.C. Chapter 83 apply to funds made available under this Notice, and all award recipients must apply, comply with, and implement all provisions of the Buy American Act and related provisions in the grant agreement when implementing

Marine Highway Grants. Depending on other funding streams, the project may be subject to separate “Buy America” requirements.

If a project intends to use any product with foreign content or of foreign origin, this information should be listed and addressed in the application. Applications should expressly address how the applicant plans to comply with domestic-preference requirements and whether there are any potential foreign-content issues with their proposed project. Applications that use grant funds for domestic-content purchases will be viewed favorably. If certain foreign content is granted an exception or waiver from Buy American or Buy America requirements, a Cargo Preference requirement may apply.

3. Reporting

Award recipients are required to submit quarterly reports, signed by an officer of the recipient, to the Program Office to keep MARAD informed of all activities during the reporting period. The reports will indicate progress made, planned activities for the next reporting period, and a listing of any purchases made with grant funds during the reporting period. In addition, the report will include an explanation of any deviation from the projected budget and timeline. Quarterly reports will also contain, at a minimum, the following: A statement as to whether the award recipient has used the grant funds consistent with the terms contemplated in the grant agreement; if applicable, a description of the budgeted activities not procured by recipient; if applicable, the rationale for recipient’s failure to execute the budgeted activities; if applicable, an explanation as to how and when recipient intends to accomplish the purposes of the grant agreement; and a budget summary showing funds expended since commencement, anticipated expenditures for the next reporting period, and expenditures compared to overall budget.

Grant award recipients will also collect information and report on the project’s observed performance with respect to the relevant long-term outcomes that are expected to be achieved through the project. Performance indicators will not include formal goals or targets, but will include observed measures under baseline (pre-project) as well as post-implementation outcomes for an agreed-upon timeline, and will be used to evaluate and compare projects and monitor the results that grant funds achieve to the intended long-term outcomes of the AMHP. Performance reporting

continues for several years after project construction is completed, and MARAD does not provide Marine Highway Grant funding specifically for performance reporting.

G. Federal Awarding Agency Contacts

To ensure applicants receive accurate information about eligibility, the program, or in response to other questions, applicants are encouraged to contact MARAD directly, rather than through intermediaries or third parties.
