SUPPLEMENTARY INFORMATION:

Title: Community of Faith and Opportunity initiative.

OMB Number: New.

Expiration Date of Approval: Three years from approval date.

Type of Request: New information collection.

Abstract: Communities of Faith and Opportunity brings together local and community leadership to establish local prosperity councils. These councils are a bottom up, locally driven, partnership structure that assists in strengthening local capacity so that communities can develop investable projects to address their respective challenges and needs. Local prosperity councils provide additional information on their challenges, members of their council, as well as on going efforts on project implementation, to inform recommendations provided by USDA personnel. These recommendations are put together by USDA subject matter experts at headquarters and distributed to communities and USDA state office staff for implementation in the field. This combination of customer service, program delivery, and capacity building and technical assistance will ensure that a sustainable, bottom up, locally driven process is achieved that will move communities towards prosperity.

The Communities of Faith and Opportunity initiative seeks to better understand the challenges facing rural and underserved communities across the country, while also assisting them in building the local capacity needed to address the community challenges and needs. In order to accomplish this, communities are invited to participate

in outreach summits, capacity building workshops, and if interested, to submit additional information to become a Community of Faith and Opportunity. The form captures information that will assist the USDA in providing robust, timely responses, customer service and program recommendations ensuring local needs are taken into account and setting up a community for long term success. The “Communities of Faith and Opportunity—Next Steps” form can be found at the following link: https://msudafvm.co1.qualtrics.com/jfe/form/SV_3CPN4ZzqzEGCHoF.

The information being collected requires the respondents to:

(1) Identify themselves, names, physical address, telephone number, email address.

(2) If applying as an entity, respondents are required to provide their company legal operating name, names and contact information of person(s) that will be the lead or key contact.

(3) Identify name and email addresses of local partners and collaborators to create a Local Prosperity Council.

(4) Determine 3–5 local challenges or projects that you would like to see addressed by USDA

(5) Describe local assets by identifying and describing community resources that are being leveraged to accomplish community goals.

(6) Describe on going implementation efforts in the community; including specific activities that community stakeholders have undertaken to address the challenges independently.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .75 hours per response.

Type of Respondents: Respondents on this form will potentially include—individuals, businesses, Not-for Profit organizations, Higher Education Institutions, Healthcare institutions State, Local, and Tribal governments; Community-based Organizations, etc.

Estimated Number of Respondents: 200.

Estimated Number of Responses: 200.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: .75.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3)

ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to the U.S. Department of Agriculture, Attn: Alex Cordova, 1400 Independence Ave. SW, Washington, DC 20250, mail stop 0601. All comments received will be available for public inspection during regular business hours at the same address.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.

Riley Pagett,

Chief of Staff.

Certain Frozen Warmwater Shrimp From India: Preliminary Results of Antidumping Duty Administrative Review; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain frozen warmwater shrimp (shrimp) from India is being, or is likely to be, sold in the United States at less than normal value.

DATES: Applicable March 6, 2020.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer or Benjamin Luberda, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3860 or (202) 482-2185, respectively.

Background

Commerce is conducting an administrative review of the antidumping duty order on shrimp from India. The review covers 183 producers and/or exporters of the subject merchandise. Commerce selected two mandatory respondents for individual examination: Razban Seafoods Ltd. (Razban) and Z A Sea Foods Pvt. Ltd. (ZA Sea Foods). The period of review

(POR) is February 1, 2018 through January 31, 2019.

On October 8, 2019, Commerce extended the preliminary results of this review by 120 days, until February 28, 2020.¹ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.²

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp.³ The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.15, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and for customs purposes, the written product description remains dispositive.

Preliminary Determination of No Shipments

On August 19, 2019, Razban filed a letter stating that it made no shipments of subject merchandise to the United States during the POR. We noted that the U.S. Customs and Border Protection (CBP) data placed on the record of this review contained entries from Razban which were classified as subject merchandise. Razban submitted comments regarding the CBP data, in which it explained that these entries contained errors. To support its statements, Razban submitted factual information related to its business operations. After reviewing the additional information provided by Razban, we preliminarily determine that Razban had no shipments during the POR.

Consistent with our practice, we are not preliminarily rescinding the review with respect to Razban. Rather, we will complete the review with respect to this company and issue appropriate instructions to CBP based on the final results of this review.
