

compliance performance between the states that will enhance relationships and increase feedback, which will in turn lead to consistent program management and improved environmental results. This request will allow OECA to collect information from enforcement and compliance files reviewed during routine on-site visits of state or local agency offices that will assist in the evaluation of the State Review Framework implementation from FY 2020 to the end of FY 2023. It will allow also EPA to make inquiries to assess the State Review Framework process, including the consistency achieved among the EPA Regions and states, the resources required to conduct the reviews, and the overall effectiveness of the program.

Form Numbers: None.

Respondents/affected entities: States, localities, and territories.

Respondent's obligation to respond: Required as part of program authorization under the Clean Water, Clean Air, and Resource Conservation and Recovery Acts.
