

national banks and Federal savings associations to comply with Regulation O, and 12 CFR 31.3 requires national banks and Federal savings associations to comply with Regulation W. Appendix A to part 31 provides interpretive guidance on the application of Regulation W to deposits between affiliated banks. Appendix B to part 31 provides a comparison of selected provisions of parts 32 and 215. Both national banks and Federal savings associations must comply with Regulation O and Regulation W.

Section 31.3(c) implements the statutory standards for authorizing an exemption from section 23A of the FRA or section 11 of the Home Owners' Loan Act (HOLA)⁵ in accordance with section 608 of the Dodd Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). Section 608, which became effective on July 21, 2012, amends section 23A of the FRA and section 11 of the HOLA to authorize the OCC to exempt, by order, a transaction of a national bank or Federal savings association, respectively, from the affiliate transaction requirements of section 23A and section 11 of the HOLA if: (1) The OCC and the Board jointly find the exemption to be in the public interest and consistent with the purposes of section 23A or section 11, and (2) within 60 days of receiving notice of such finding, the Federal Deposit Insurance Corporation does not object in writing to the finding. Such objection would be based on a determination that the exemption presents an unacceptable risk to the Deposit Insurance Fund.⁶

Section 31.3(d) sets forth procedures that a national bank and Federal savings association must follow to request such exemptions. These procedures are modeled after the Board's procedures in Regulation W. A national bank or Federal savings association may request an exemption from the requirements of section 23A or section 11 of the HOLA, as applicable, and 12 CFR part 223 for a national bank or Federal savings association by submitting a written request to the Deputy Comptroller for Licensing with a copy to the appropriate Federal Reserve Bank. Such a request must:

(1) Describe in detail the transaction or relationship for which the national bank or Federal savings association seeks exemption;

(2) Explain why the OCC should exempt the transaction or relationship;

(3) Explain how the exemption would be in the public interest and consistent with the purposes of section 23A or section 11 of the HOLA, as applicable; and

(4) Explain why the exemption does not present an unacceptable risk to the Deposit Insurance Fund.
