SUPPLEMENTARY INFORMATION: SBA Loan Program Requirements, including 13 CFR Section 120.830, require Certified Development Companies participating in the SBA 504 Loan Program to complete and submit an annual report that contains financial statements, and operational and management information. This reporting requirement is currently approved under OMB Control Number 3245–0074 and consists of SBA Form 1253, *Certified Development Company (CDC) Annual Report Guide* and an exhibit. The Annual Report Guide outlines the standards for meeting a CDC’s annual reporting requirements, while the exhibit serves as a template for the preferred method for a CDC to report data on job creation and retention. The information collected is used by SBA District Offices, the Office of Credit Risk Management, and the Office of Financial Assistance, 504 Program Branch, to determine a CDC’s financial condition, its compliance with SBA Loan Program Requirements, and the impact of its assistance to small businesses.

SBA is revising the information collection to among other things, address recent rule changes and technological improvements, and to clarify and streamline the information to be submitted.

Summary of Changes to OMB Control Number 3245–0074

1. In lieu of outlining the reporting requirements in SBA Form 1253, SBA is proposing to eliminate the form and incorporate the requirements into SBA Standard Operating Procedures (SOP) 50 10, Lender and Development Company Loan Programs, as an Appendix. This change will allow CDCs to locate the information collection in the same document that they refer to for guidance on SBA Loan Program Requirements, which will facilitate their preparation of the annual report.

2. The information collection will also be revised to conform to the changes made by the *Streamlining and Modernizing Certified Development Company Program (504 Loan Program) Corporate Governance Requirements* final rule published at 84 FR 66287 on December 4, 2019. These changes include:

(a) Incorporating the option that allows a Multi-State CDC to add two additional members to its Board or Loan Committee (if established in the CDC’s State of incorporation) as an alternative to creating a separate Loan Committee in the State into which it has expanded.

(b) Revising the instruction to make it clear that CDCs are no longer required
