

petition Docket Number FRA 2020–0023.

Specifically, Railtown, an historic tourist operation located in Jamestown, California, seeks FRA approval per 49 CFR 215.203(c) to allow two cars owned by the State of California (reporting marks SRR 323 and WP 17005) that are over 50 years old to be used in photo and film work, and to operate on track privately owned by the Sierra Northern Railway. Because the cars would be used for historic interpretation and demonstration, Railtown also requests to waive the stenciling requirements outlined in 49 CFR 215.303. Railtown explains the cars will be limited to 10 miles per hour and will not be used in interchange.
