## FEDERAL COMMUNICATIONS COMMISSION

[FRS 16563]

### Privacy Act of 1974; Matching Program

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice of a re-establishment of a computer matching program.

**SUMMARY:** In accordance with the Privacy Act of 1974, as amended (“Privacy Act”), this document announces the re-establishment of a computer matching program the Federal Communications Commission (“FCC” or “Commission” or “Agency”) and the Universal Service Administrative Company (USAC) will conduct with agencies from the States of Colorado, Mississippi, New Mexico, and Utah. The purpose of this matching program is to verify the eligibility of applicants to and subscribers of the Universal Service Fund (USF) Lifeline program, which is administered by USAC under the direction of the FCC. More information about this program is provided in the **SUPPLEMENTARY INFORMATION** section below.

**DATES:** Written comments are due on or before April 16, 2020. This computer matching program will commence on April 19, 2020, unless written comments are received that require a contrary determination, and will conclude on October 18, 2021.

**ADDRESSES:** Send comments to Mr. Leslie F. Smith, Privacy Manager, Information Technology (IT), Room 1–C216, FCC, 445 12th Street SW, Washington, DC 20554, or to [Leslie.Smith@fcc.gov](mailto:Leslie.Smith@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** Mr. Leslie F. Smith, (202) 418-0217, or [Leslie.Smith@fcc.gov](mailto:Leslie.Smith@fcc.gov).

**SUPPLEMENTARY INFORMATION:** The Lifeline program provides support for discounted broadband and voice services to low-income consumers. Lifeline is administered by the Universal Service Administrative Company (USAC) under FCC direction. Consumers qualify for Lifeline through proof of income or participation in a qualifying program, such as Medicaid, the Supplemental Nutritional Assistance Program (SNAP), Federal Public Housing Assistance, Supplemental Security Income (SSI), Veterans and Survivors Pension Benefit, or various Tribal-specific federal assistance programs. In a Report and Order adopted on March 31, 2016, the Commission ordered USAC to create a National Lifeline Eligibility Verifier (“National Verifier”), including the National Lifeline Eligibility Database (LED), that would match data about Lifeline applicants and subscribers with other data sources to verify the eligibility of an applicant or subscriber. The Commission found that the National Verifier would reduce compliance costs for Lifeline service providers, improve service for Lifeline subscribers, and reduce waste, fraud, and abuse in the program. The purpose of this particular program is to verify Lifeline eligibility by establishing that applicants or subscribers from Colorado, Mississippi, New Mexico, and Utah are enrolled in the SNAP or Medicaid programs.

#### PARTICIPATING NON-FEDERAL AGENCIES:

- Colorado Governor's Office of Information Technology;
- Mississippi Department of Human Services;
- New Mexico Human Services Department; and
- Utah Department of Workforce Services.

#### AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:

47 U.S.C. 254; 47 CFR 54.400 *et seq.*; Lifeline and Link Up Reform and Modernization, *et al.*, Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962, 4006–21, paras. 126–66 (2016) (2016 Lifeline Modernization Order).

**PURPOSE(S):**

In the 2016 Lifeline Modernization Order, the FCC required USAC to develop and operate a National Lifeline Eligibility Verifier (National Verifier) to improve efficiency and reduce waste, fraud, and abuse in the Lifeline program. The stated purpose of the National Verifier is “to increase the integrity and improve the performance of the Lifeline program for the benefit of a variety of Lifeline participants, including Lifeline providers, subscribers, states, community-based organizations, USAC, and the Commission.” 31 FCC Rcd 3962, 4006, para. 126. To help determine whether Lifeline applicants and subscribers are eligible for Lifeline benefits, the Order contemplates that a USAC-operated Lifeline Eligibility Database (LED) will communicate with information systems and databases operated by other Federal and State agencies. *Id.* at 4011–2, paras. 135–7.

**CATEGORIES OF INDIVIDUALS:**

The categories of individuals whose information is involved in this matching program include, but are not limited to, those individuals (residing in a single household) who have applied for Lifeline benefits; are currently receiving Lifeline benefits; are individuals who enable another individual in their household to qualify for Lifeline benefits; are minors whose status qualifies a parent or guardian for Lifeline benefits; are individuals who have received Lifeline benefits; or are individuals acting on behalf of an eligible telecommunications carrier (ETC) who have enrolled individuals in the Lifeline program.

**CATEGORIES OF RECORDS:**

The categories of records involved in the matching program include, but are not limited to, Lifeline applicant or subscriber’s first or last name; date of birth; and last four digits of Social Security Number. The National Verifier will transfer these data elements to one of the four state agencies, which will respond either “yes” or “no” that the individual is enrolled in a Lifeline-qualifying assistance program.

**SYSTEM(S) OF RECORDS:**

The USAC records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB–1, Lifeline Program, a notice of which the FCC published at 82 FR 38686 (Aug. 15, 2017) and became effective on September 14, 2017.

Federal Communications Commission.

**BILLING CODE 6712–01–P**

**FEDERAL COMMUNICATIONS COMMISSION**

[FRS 16552]

**Federal Advisory Committee Act; Communications Security, Reliability, and Interoperability Council**

**AGENCY:** Federal Communications Commission.

**ACTION:** Amendment to notice of public meeting

**SUMMARY:** In accordance with the Federal Advisory Committee Act, this notice advises interested persons that the Federal Communications Commission’s (FCC or Commission) Communications Security, Reliability, and Interoperability Council (CSRIC) VII will hold its fourth meeting via live internet link.

**DATES:** March 17, 2020.

**ADDRESSES:** The Meeting will be held via conference call and available to the public via WebEx at <http://www.fcc.gov/live>.

**FOR FURTHER INFORMATION CONTACT:** Suzon Cameron, Designated Federal Officer, (202) 418–1916 (voice) or [CSRIC@fcc.gov](mailto:CSRIC@fcc.gov) (email); or, Kurian Jacob, Deputy Designated Federal Officer, (202) 418–2040 (voice) or [CSRIC@fcc.gov](mailto:CSRIC@fcc.gov) (email).

**SUPPLEMENTARY INFORMATION:** The notice of this meeting was first published in the **Federal Register** on February 25, 2020. This amendment is to inform the public that the meeting will be held electronically only.

The meeting will be held on March 17, 2020, at 1:00 p.m. EDT and may be viewed live, by the public, at <http://www.fcc.gov/live>. Any questions that arise during the meeting should be sent to [CSRIC@fcc.gov](mailto:CSRIC@fcc.gov) and will be answered at a later date. The meeting is being moved to a wholly electronic format in light of travel restrictions affecting members of the CSRIC related to the ongoing increase in coronavirus (COVID–19) cases.

The CSRIC is a Federal Advisory Committee that will provide recommendations to the FCC to improve the security, reliability, and interoperability of communications systems. On March 15, 2019, the FCC, pursuant to the Federal Advisory

Committee Act, renewed the charter for CSRIC VII for a period of two years through March 14, 2021. The meeting on March 17, 2020, will be the fourth meeting of CSRIC VII under the current charter.

The Commission will provide audio and/or video coverage of the meeting over the internet from the FCC’s web page at <http://www.fcc.gov/live>. The public may submit written comments before the meeting to Suzon Cameron, CSRIC Designated Federal Officer, by email [CSRIC@fcc.gov](mailto:CSRIC@fcc.gov) or U.S. Postal Service Mail to Suzon Cameron, Senior Attorney, Cybersecurity and Communications Reliability Division, Public Safety and Homeland Security Bureau, Federal Communications Commission, 445 12th Street SW, Room 7–B458, Washington, DC 20554. Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via email to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or by calling the Consumer & Governmental Affairs Bureau at (202) 418–0530 (voice), (202) 418–0432 (tty). Such requests should include a detailed description of the accommodation needed. In addition, please include a way the FCC can contact you if it needs more information. Please allow at least five days’ advance notice; last-minute requests will be accepted but may be impossible to fill.

*Good Cause for Late Notice:* This Amendment to Notice of public meeting is being published less than 15 days before the meeting date of March 17, 2020. There is good cause for this late notice. Specifically, travel restrictions affecting members of the CSRIC VII related to the ongoing increase in COVID–19 cases, have led the Commission to conclude that, in an abundance of caution, an electronic meeting is appropriate. The Commission has also announced this amendment to the public meeting by Public Notice posted on <https://www.fcc.gov/about-fcc/advisory-committees/communications-security-reliability-and-interoperability-council-vii>.

Federal Communications Commission.
