#### SUPPLEMENTARY INFORMATION:

##### A. Background

For background on the proceedings in this investigation, please see the prior notices issued in the investigation, including 82 FR 40213 (August 23, 2017), 83 FR 14906 (April 6, 2018), 83 FR 28710 (June 20, 2018), 83 FR 32181 (July 11, 2018), 83 FR 67463 (December 28, 2018), 84 FR 11152 (March 25, 2019), 84 FR 16310 (April 18, 2019), 84 FR 21389 (May 14, 2019), 84 FR 25895 (June 4, 2019), 84 FR 32821 (July 9, 2019), 84 FR 46212 (September 3, 2019), 84 FR 49564 (September 20, 2019), 84 FR 52567 (October 2, 2019), 84 FR 58427 (October 31, 2019), 84 FR 70616 (December 23, 2019), 84 FR 72102 (December 30, 2019), 85 FR 6687 (February 5, 2020), and 85 FR 12373 (March 2, 2020).

Effective July 6, 2018, the U.S. Trade Representative imposed additional 25 percent duties on goods of China classified in 818 8-digit subheadings of the Harmonized Tariff Schedule of the United States (HTSUS), with an approximate annual trade value of \$34 billion. See 83 FR 28710 (the \$34 billion action). The U.S. Trade Representative's determination included a decision to establish a process by which U.S. stakeholders could request exclusion of

particular products classified within an 8-digit HTSUS subheading covered by the \$34 billion action from the additional duties. The U.S. Trade Representative issued a notice setting out the process for the product exclusions, and opened a public docket. See 83 FR 32181 (the July 11 notice).

In March 2019, the U.S. Trade Representative granted a set of exclusion requests, which expire on March 25, 2020. See 83 FR 67463 (the March 25 notice). On December 30, 2019, the U.S. Trade Representative invited the public to comment on whether to extend, by up to twelve months, particular exclusions granted in the March 25 notice. See 84 FR 72102 (the December 30 notice).

Under the December 30 notice, commenters were asked to address whether the particular product and/or a comparable product is available from sources in the United States and/or in third countries; any changes in the global supply chain since July 2018 with respect to the particular product, or any other relevant industry developments; and efforts, if any, importers or U.S. purchasers have undertaken since July 2018 to source the product from the United States or third countries.

In addition, commenters who were importers and/or purchasers of the products covered by an exclusion were asked to provide information regarding their efforts since July 2018 to source the product from the United States or third countries; the value and quantity of the Chinese-origin product covered by the specific exclusion request purchased in 2018, the first half of 2018, and the first half of 2019, and whether these purchases are from a related company; whether Chinese suppliers have lowered their prices for products covered by the exclusion following the imposition of duties; the value and quantity of the product covered by the exclusion purchased from domestic and third country sources in 2018, the first half of 2018 and the first half of 2019; the commenter's gross revenue for 2018, the first half of 2018, and the first half of 2019; whether the Chinese-origin product of concern is sold as a final product or as an input; whether the imposition of duties on the products covered by the exclusion will result in severe economic harm to the commenter or other U.S. interests; and any additional information in support or in opposition of the extending the exclusion.

The December 30 notice required the submission of comments no later than February 15, 2020.

## B. Determination To Extend Certain Exclusions

Based on the evaluation of the factors set out in the July 11 notice and December 30 notice, which are summarized above, pursuant to sections 301(b), 301(c), and 307(a) of the Trade Act of 1974, as amended, and in accordance with the advice of the interagency Section 301 Committee, the U.S. Trade Representative has determined to extend for 12 months certain product exclusions covered by the March 25 notice, as set out in the Annex to this notice. The U.S. Trade Representative's determination also takes into account advice from advisory committees and any public comments concerning the extension of the pertinent exclusion.

In accordance with the July 11 notice, the exclusions are available for any product that meets the description in the Annex, regardless of whether the importer filed an exclusion request. Further, the scope of each exclusion is governed by the scope of the 10-digit HTSUS headings and product descriptions in the Annex to this notice, and not by the product descriptions set out in any particular request for exclusion.

As set out in the Annex, the U.S. Trade Representative has determined to extend the following exclusions under U.S. note 20(i) to subchapter III of chapter 99 of the HTSUS: (1), (3), (5), (10), (13), (14), (15), (17), (19), (23) and (32).
