This section of the FEDERAL REGISTER contains notices to the public of the proposed issuance of rules and regulations. The purpose of these notices is to give interested persons an opportunity to participate in the rule making prior to the adoption of the final rules.

FEDERAL LABOR RELATIONS AUTHORITY

5 CFR Part 2429

AGENCY: Federal Labor Relations Authority.

ACTION: Proposed rule with request for comments.

This proposed addition concerns the revocation of a written assignment of amounts deducted from the pay of a Federal employee for the payment of regular and periodic dues allotted to an exclusive representative.

DATES: To be considered, comments must be received on or before April 9, 2020.

ADDRESSES: You may send comments, which must include the caption "Miscellaneous and General Requirements," by one of the following methods:

FOR FURTHER INFORMATION CONTACT: Rebecca Osborne, Deputy Solicitor, at rosborne@flra.gov or at: (202) 218-7986.

SUPPLEMENTARY INFORMATION: The FLRA is seeking to assure employees the fullest freedom in the exercise of their

rights under the Federal Service Labor-Management Relations Statute, including their rights under 5 U.S.C. 7102 and 7115, in matters directly affecting their pay. Therefore, the FLRA proposes to define when an employee may initiate the revocation of a previously authorized assignment of amounts deducted from the pay of the employee for the payment of regular and periodic dues allotted to an exclusive representative. In particular, the FLRA proposes that, after the expiration of the one-year period during which an assignment may not be revoked under 5 U.S.C. 7115(a), an employee may initiate the revocation of a previously authorized assignment at any time that the employee chooses.

Executive Order 12866

The FLRA is an independent regulatory agency, and as such, is not subject to the requirements of E.O. 12866.

Executive Order 13132

The FLRA is an independent regulatory agency, and as such, is not subject to the requirements of E.O. 13132.

Regulatory Flexibility Act Certification

Pursuant to section 605(b) of the Regulatory Flexibility Act, 5 U.S.C. 605(b), the Chairman of the FLRA has determined that this rule, as amended, will not have a significant impact on a substantial number of small entities, because this rule applies only to Federal agencies, Federal employees, and labor organizations representing those employees.

Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs

This proposed rule is not expected to be subject to the requirements of E.O. 13771 (82 FR 9339, Feb. 3, 2017) because this proposed rule is expected to be related to agency organization, management, or personnel.

Executive Order 13132, Federalism

This regulation will not have substantial direct effects on the States, on the relationship between the National Government and the States, or on distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132,

this proposed rule does not have sufficient federalism implications to warrant preparation of a federalism assessment.

Executive Order 12988, Civil Justice Reform

This regulation meets the applicable standard set forth in section 3(a) and (b)(2) of Executive Order 12988.

Unfunded Mandates Reform Act of 1995

This rule change will not result in the expenditure by state, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This action is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Paperwork Reduction Act of 1995

The amended regulations contain no additional information collection or record-keeping requirements under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501, *et seq.*

Accordingly, for the reasons stated in the preamble, FLRA proposes to amend 5 CFR part 2429 as follows:

PART 2429—[AMENDED]

■ 1. The authority citation for part 2429 continues to read as follows:

Authority: 5 U.S.C. 7134; § 2429.18 also issued under 28 U.S.C. 2112(a).

■ 2. Add § 2429.19 to subpart A to read as follows:

§ 2429.19 Revocation of assignments.

Consistent with the exceptions in 5 U.S.C. 7115(b), after the expiration of the one-year period during which an assignment may not be revoked under 5 U.S.C. 7115(a), an employee may initiate the revocation of a previously authorized assignment at any time that the employee chooses.

Colleen Duffy Kiko,

Chairman, Federal Labor Relations Authority.

Note: The following appendix will not appear in the Code of Federal Regulations.

Member DuBester, Dissenting

For reasons expressed in my dissenting opinion in *Office of Personnel Management (OPM)*,¹ I strongly disagree with the decision to commence notice-and-comment rulemaking regarding 5 U.S.C. 7115(a). In my view, the *OPM* decision erroneously discards well-reasoned FLRA precedent governing revocation of union-dues allotments and, therefore, further weakens the institution of collective bargaining in the federal sector.

SUPPLEMENTARY INFORMATION: This action, pursuant to 5 U.S.C. 553, proposes an amendment to regulations issued to carry out a marketing order as defined in 7 CFR 900.2(j). This proposed rule is issued under Marketing Order No. 959, as amended (7 CFR part 959), regulating the handling of onions grown in south Texas. Part 959, (referred to as “the Order”) is effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), hereinafter referred to as the “Act.” The Committee locally administers the Order and is comprised of producers and handlers operating within the area of production.

The Department of Agriculture (USDA) is issuing this proposed rule in conformance with Executive Orders 13563 and 13175. This proposed rule falls within a category of regulatory actions that the Office of Management and Budget (OMB) exempted from Executive Order 12866 review. Additionally, because this proposed

rule does not meet the definition of a significant regulatory action, it does not trigger the requirements contained in Executive Order 13771. See OMB’s Memorandum titled “Interim Guidance Implementing Section 2 of the Executive Order of January 30, 2017, titled ‘Reducing Regulation and Controlling Regulatory Costs’” (February 2, 2017).

This proposed rule has been reviewed under Executive Order 12988, Civil Justice Reform. Under the Order now in effect, South Texas onion handlers are subject to assessments. Funds to administer the Order are derived from such assessments. It is intended that the assessment rate would be applicable to all assessable onions for the 2019-20 fiscal year, and continue until amended, suspended, or terminated.

The Act provides that administrative proceedings must be exhausted before parties may file suit in court. Under section 608c(15)(A) of the Act, any handler subject to an order may file with USDA a petition stating that the order, any provision of the order, or any obligation imposed in connection with the order is not in accordance with law and request a modification of the order or to be exempted therefrom. Such handler is afforded the opportunity for a hearing on the petition. After the hearing, USDA would rule on the petition. The Act provides that the district court of the United States in any district in which the handler is an inhabitant, or has his or her principal place of business, has jurisdiction to review USDA’s ruling on the petition, provided an action is filed not later than 20 days after the date of the entry of the ruling.

This proposed rule would decrease the assessment rate from \$0.065, the rate that was established for the 2017-18 and subsequent fiscal periods, to \$0.05 per 50-pound equivalent of onions handled for the 2019-20 and subsequent fiscal years.

The Order provides authority for the Committee, with the approval of USDA, to formulate an annual budget of expenses and collect assessments from handlers to administer the program. The members are familiar with the Committee’s needs and with the costs of goods and services in their local area and are thus in a position to formulate an appropriate budget and assessment rate. The assessment rate is formulated and discussed in a public meeting. Thus, all directly affected persons have an opportunity to participate and provide input.

For the 2017-18 and subsequent fiscal periods, the Committee recommended, and USDA approved, an assessment rate that would continue in effect from fiscal
