Carbazole Violet Pigment 23 From India: Rescission of Antidumping Duty Administrative Review; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on carbazole violet pigment 23 (CVP 23) from India for the period December 1, 2018 through November 30, 2019.

DATES: Applicable March 19, 2020.

FOR FURTHER INFORMATION CONTACT:

George Ayache, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2623.

SUPPLEMENTARY INFORMATION:

Background

On December 6, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on CVP 23 from India for the period of review (POR) December 1, 2018 through November 30, 2019.¹

On December 31, 2019, Pidilite Industries Limited (Pidilite), an Indian producer and exporter of CVP 23, requested an administrative review of the order of CVP 23 from India with respect to its entries of subject merchandise during the POR.² No other party requested an administrative review of this order. On February 6, 2020, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), we published the notice of initiation of an administrative review of the order on CVP 23 from India with respect to Pidilite.³ On March 3, 2020, Pidilite withdrew its request for an administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, Pidilite timely withdrew its request by the 90-day deadline, and no other party requested an administrative review of the antidumping duty order. Therefore, we are rescinding the administrative review of the antidumping duty order on CVP 23 from India for the period December 1, 2018 through November 30, 2019, in its entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce intends to instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of CVP 23 from India during the POR at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an

APO is a violation which is subject to sanction.

We intend to issue and publish this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: March 16, 2020.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Steel Concrete Reinforcing Bar From the Republic of Turkey: Rescission of Countervailing Duty Administrative Review; 2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on steel concrete reinforcing bar (rebar) from the Republic of Turkey (Turkey), covering the period January 1, 2018, through December 31, 2018.

DATES: Applicable March 19, 2020.

FOR FURTHER INFORMATION CONTACT: Kathryn Turlo, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3870.

SUPPLEMENTARY INFORMATION:

Background

On July 1, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the CVD order on rebar from Turkey.¹ On July 30, 2019, the Rebar Trade Action Coalition (the petitioner) timely requested that Commerce conduct an administrative review of Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi A.S. (Habas).² We received no other requests for review. On September 9, 2019, Commerce published in the **Federal Register** a

notice of initiation with respect to Habas, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On September 11, 2019, Habas notified Commerce that it had no sales, shipments, or entries of subject merchandise during the period of review (POR).⁴ On October 31, 2019, Commerce issued a no shipment inquiry to U.S. Customs and Border Protection (CBP) to corroborate Habas' claim.⁵ On March 2, 2020, Commerce notified all interested parties that CBP found no evidence of shipments of subject merchandise produced and/or exported by Habas during the POR.⁶ On March 5, 2020, Commerce established a period for comments regarding CBP's findings.⁷ No parties submitted comments.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were no reviewable entries of subject merchandise during the POR.⁸ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate for the review period. See 19 CFR 351.212(b)(2). Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD assessment rate for the review period.⁹ As noted above, the CBP confirmed that there were no entries of subject merchandise during the POR with respect to Habas, the only exporter or producer subject to this administrative review.¹⁰ Accordingly, in
