

interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that ICE Clear Europe has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.<sup>9</sup>

Because the Commission believes that the proposed rule change would merely maintain the usual USD cash instruction deadline notwithstanding temporary changes in the time difference between the US and UK, it would promote the prompt and accurate clearance and settlement of transactions by facilitating the ICEEU's investment and cash management activities and be consistent with the obligation to safeguard securities and funds in the custody or control of ICEEU or for which it is responsible, and would generally further the protection of investors and the public interest. Further, the Commission does not believe that the proposed rule change would impose any new requirements on clearing members it would not burden competition.

Additionally, because such a temporary change in time difference is currently in effect, and will last until March 27, 2020, the Commission believes that prompt implementation of the proposal change is necessary and appropriate and that a 30-day delay would serve no purpose. Further, the Commission believes that any delay in the operation of the proposed rule change would be inconsistent with the goal of maintaining the certainty of the current cash deadlines. Therefore, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and designates the proposed rule change as operative upon filing.<sup>10</sup>

<sup>9</sup> ICE Clear Europe has requested that the Commission waive the five-day pre-filing requirement and the 30-day delayed operative date under Rule 19b-4(f)(6)(iii) so that the proposed rule change may become effective and operative upon filing with the Commission, which the Commission has done. Moreover, for purposes only of these waivers, the Commission has considered the proposed rule change's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>10</sup> For these same reasons, the Commission waives the five-day pre-filing requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
