

which could permit continued liquidity and a fair and orderly market. As discussed above, the proposed rule change would apply temporarily, and only to two exclusively listed index option classes, during the time the trading floor is unavailable for open outcry trading. Waiver of the operative delay would allow the proposed changes, which are designed to help maintain fair and orderly markets, to be in effect immediately. For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.²⁶

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88457; File No. SR-GEMX-2020-07]

Self-Regulatory Organizations; Nasdaq GEMX, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to the Removal of Obsolete Listing Rules

March 23, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 10, 2020, Nasdaq GEMX, LLC ("GEMX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Rules at Options 2, Options Market Participants; Options 3, Section 2, Units of Trading and Meaning of Premium Quotes and Orders; Options 3, Section 3, Minimum Trading Increments; and Options 3, Section 15, Simple Order Risk Protections. Additionally, the Exchange proposes to add new sections at General 9 and Options 4B and reserve those sections.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqgemx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

²⁶ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

²⁷ 17 CFR 200.30-3(a)(12), (59).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend GEMX Rules at Options 2, Options Market Participants; Options 3, Section 2, Units of Trading and Meaning of Premium Quotes and Orders; Options 3, Section 3, Minimum Trading Increments; and Options 3, Section 15, Simple Order Risk Protections. Additionally, the Exchange proposes to add new sections at General 9 and Options 4B and reserve those sections. The various proposed changes will be discussed below.

Mini Options

The Exchange has not listed Mini Options in several years and is proposing to delete Mini Options listing rules and other ancillary trading rules related to the listing of Mini Options. The Exchange notes that it has no open interest in Mini Options.

Specifically, the Exchange proposes to amend the following GEMX Rules related to Mini Options by deleting references to Mini Options within these rules: Options 3, Section 2(c), Units of Trading and Meaning of Premium Quotes and Orders; and Options 3, Section 3, Minimum Trading Increments, at Supplementary Material .03. The Exchange also proposes to re-letter (b) as (c).

Foreign Currency Index

The Exchange removed³ prior GEMX Section 22, which was titled "Rate-Modified Foreign Currency Options Rules" and governed the listing and trading of foreign currency options on GEMX. At this time, the Exchange is removing a reference that is no longer necessary within Options 3, Section 3, Minimum Trading Increments, at Supplementary Material .02, because the product is not available to be listed on GEMX.

Rulebook Harmonization

The Exchange recently harmonized its Rulebook in connection with other Nasdaq affiliated markets. The Exchange proposes to reserve sections General 9 and Options 4B and certain other rules⁴ within the GEMX Rulebook to represent the presence of rules in similar locations

in other Nasdaq affiliated Rulebooks (e.g. Nasdaq Phlx LLC)⁵. The addition of these reserved sections will align the various Nasdaq affiliated market Rulebooks.

Other Non-Substantive Amendments

The Exchange proposes to delete duplicative text within Options 3, Section 15, Simple Order Risk Protections. Current Options 3, Section 15(c) appears in Section 15(a) and current Options 3, Section 15(d) appears in Options 3, Section 15(a)(1)(C).

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

Mini Options

The Exchange's proposal to removal references to the listing and handling of Mini Options is consistent with the Act because Mini Options have not been listed in several years and thereby removing the references to the rules would render the rules more accurate and reduce potential investor confusion. Also, the Exchange notes that it has no open interest in Mini Options. In the event that the Exchange desires to list Mini Options in the future, it would file a rule change with the Commission to adopt rules to list Mini Options.

Foreign Currency Index

The Exchange's proposal to remove rules and references to the listing and handling of Foreign Currency Indexes is consistent with the Act because the listing rules for these products have been removed. Also, the Exchange notes that it has no open interest in Foreign Currency Indexes. In the event that the Exchange desires to list Foreign Currency Indexes in the future, it would file a rule change with the Commission.

Rulebook Harmonization

The Exchange's proposal to reserve new sections at General 9 and Options 4B within the Rulebook is a non-substantive amendment which aligns the numbering across Nasdaq affiliated

Rulebooks to provide market participants with an ability to more readily locate rules.

Other Non-Substantive Amendments

The Exchange's proposal to remove duplicative text within Options 3, Section 15 is non-substantive and is intended to reduce investor confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

Mini Options

The Exchange's proposal to removal references to the listing and handling of Mini Options does not impose an undue burden on competition. Mini Options have not been listed in several years. Also, the Exchange notes that it has no open interest in Mini Options.

Foreign Currency Index

The Exchange's proposal to removal references to the listing and handling of Foreign Currency Indexes does not impose an undue burden on competition. Foreign Currency Indexes have not been listed in several years. Also, the Exchange notes that it has no open interest in Foreign Currency Indexes.

Rulebook Harmonization

The Exchange's proposal to add reserved sections General 9 and Options 4B to the Rulebook is a non-substantive amendment which aligns the numbering across Nasdaq affiliated Rulebooks to provide market participants with an ability to more readily locate rules.

Other Non-Substantive Amendments

The Exchange's proposal to remove duplicative text within Options 3, Section 15 is a non-substantive amendment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

March 20, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 19, 2020, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. ¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to suspend until June 30, 2020 the application of its continued listing requirement that companies must maintain an average global market capitalization over a consecutive 30 trading-day period of at least \$15 million (the "Market Capitalization Standard"). The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The U.S. and global equities markets have experienced unprecedented market-wide declines as a result of the ongoing spread of COVID-19. As a consequence, since the commencement of the current market turbulence in the last week of February 2020, the Exchange has experienced an unusually high number (as compared to historical levels) of listed companies that are in imminent danger of immediate suspension and delisting under Section 802.01B of the Manual for failure to comply with the Market Capitalization Standard.³

In response to the conditions described above, the Exchange proposes

³ Section 802.01B of the Manual states that "the Exchange will promptly initiate suspension and delisting procedures with respect to a company (including the issuer of an Equity Investment Tracking Stock) that is listed under any financial standard set out in Sections 102.01C or 103.01B if a company is determined to have average global market capitalization over a consecutive 30 trading-day period of less than \$15,000,000, regardless of the original standard under which it listed. A company is not eligible to follow the procedures outlined in Sections 802.02 and 802.03 with respect to this criterion."

⁸ 15 U.S.C. 78s(b)(3)(A)(iii).

⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires the Exchange to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
