Title: 7 CFR part 245, Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools.

OMB Control Number: 0584–0026.
Summary of Collection: The Richard B. Russell National School Lunch Act (NSLA), Child Nutrition Act of 1966 (42 U.S.C. 1779), and Title 7 CFR part 245, Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools, set forth Program requirements for State agencies, local education agencies (LEAs)/school food authorities (SFAs), and households. 7 CFR part 245 and section 9 of the NSLA require Program participants and administrators of the School Breakfast Program (SBP), National School Lunch Program (NSLP), or Special Milk Program (SMP) to determine children's eligibility for free and reduced price meals and/or free milk. The information collected from the households is used to determine eligibility for free and reduced price meal benefits and participation in the Special Milk Program and to verify eligibility determinations. FNS uses the information to estimate and report the burden that Program requirements have on State and local levels, comply with Federal requirements, understand the administrative and operational costs associated with Program eligibility criteria, to monitor the number of children directly certified and the

number participating in the school meal programs, to monitor the number of household applications that are submitted, and to monitor the number of schools operating under Provision 1, 2, or 3 or the Community Eligibility Provision which enable schools to serve all enrolled students free meals at no charge.
