

Commission fewer than 30 days prior to, including the same business day as, the company's call or redemption of securities of which it is the issuer where the conditions below are satisfied:

Conditions

(a) The closed-end fund or BDC ("Company") relying on this Order:

(1) Promptly notifies Commission staff via email at IM-EmergencyRelief@sec.gov stating that it is relying on this Order;

(2) ensures that the filing of the Notice on an abbreviated time frame is permitted under relevant state law and the Company's governing documents; and

(3) files a Notice that contains all the information required by Rule 23c-2 prior to:

a. Any call or redemption of existing securities;

b. the commencement of any offering of replacement securities; and

c. providing notification to the existing shareholders whose securities are being called or redeemed.

VI. Commission Statement Regarding Prospectus Delivery

The Commission takes the position that it would not provide a basis for a Commission enforcement action if a registered fund does not deliver to investors the current prospectus of the registered fund where the prospectus is not able to be timely delivered because of circumstances related to COVID-19 and delivery was due during the limited period specified below, provided that the sale of shares to the investor was not an initial purchase by the investor of shares of the registered fund and:

(1) The registered fund:

(a) Notifies Commission staff via email at IM-EmergencyRelief@sec.gov stating that it is relying on this Commission position;

(b) Publishes on its public website that it intends to rely on the Commission position; and

(c) Publishes its current prospectus on its public website; and

(2) Delivery was originally required on or after the date of this Order but on or prior to June 30, 2020, and the prospectus is delivered to investors as soon as practicable, but not later than 45 days after the date originally required.

In light of our current understanding of the nationwide scope of COVID-19's disruptions to businesses and everyday activities, and the uncertainty as to the duration of these disruptions, we are modifying our previous position that a registered fund that intends to rely upon this relief must (i) include, in its email correspondence to Commission staff and

on its website, a brief description of the reasons why it or any other person required could not deliver the prospectus to investors on a timely basis, and (ii) provide the Commission staff with an estimated date by which it expects the prospectus to be delivered.

By the Commission.

Vanessa A. Countryman,
Secretary.
