

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) Part 71 by establishing Class E airspace extending upward from 700 feet or more above the surface at the Gold Beach Municipal Airport, Gold Beach, OR. The establishment of the new Class E airspace will support the airport's transition from VFR to IFR operations. Specifically, to the extent possible, it will contain IFR departures until reaching 1,200 feet above the surface and IFR arrivals when descending below 1,500 feet above the surface.

The first airspace area will extend upward from 700 feet above the surface within a 6.3-mile radius to the airport, and within 1 mile each side of the 325° bearing from the airport, extending from the 6.3-mile radius to 9.3 miles northwest of the airport.

The second airspace area will extend upward from 1,200 feet above the surface within a 15-mile radius of the Gold Beach Municipal Airport, excluding that airspace that extends beyond 12 miles from the coast.

Class E5 airspace designations are published in paragraph 6005 of FAA Order 7400.11D, dated August 8, 2019, and effective September 15, 2019, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a

"significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

- 1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

ANM OR E5 Gold Beach, OR

Gold Beach Municipal Airport, OR
(Lat. 42°24'55" N, long. 124°25'30" W)

That airspace extending upward from 700 feet above the surface within a 6.3-mile radius of the airport, and within 1 mile each side of the 325° bearing from the airport, extending from the 6.3-mile radius to 9.3 miles northwest of the airport; and that airspace extending upward from 1,200 feet above the surface within a 15-mile radius of the Gold Beach Municipal Airport, excluding that airspace that extends beyond 12 miles from the coast.

Issued in Seattle, Washington, on March 25, 2020.

Shawn M. Kozica,

Group Manager, Operations Support Group, Western Service Center.

14 CFR Part 71

[Docket No. FAA–2020–0306; Airspace Docket No. 20–ASO–13]

RIN 2120–AA66

Proposed Amendment of VOR Federal Airway V–52 in the Vicinity of Bowling Green, KY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend VHF Omnidirectional Range (VOR) Federal airway V–52 due to the planned decommissioning of the VOR portion of the Bowling Green, KY, VOR/Tactical Air Navigation (VORTAC) navigation aid (NAVAID). The Bowling Green VOR is being decommissioned in support of the FAA's VOR Minimum Operational Network (VOR MON) program.

DATES: Comments must be received on or before May 15, 2020.

ADDRESSES: Send comments on this proposal to the U.S. Department of Transportation, Docket Operations, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12–140, Washington, DC 20590; telephone: 1(800) 647–5527, or (202) 366–9826. You must identify FAA Docket No. FAA–2020–0306; Airspace Docket No. 20–ASO–13 at the beginning of your comments. You may also submit comments through the internet at <https://www.regulations.gov>. FAA Order 7400.11D, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/. For further information, you can contact the Rules and Regulations Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267–8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11D at NARA, email:

fedreg.legal@nara.gov or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FOR FURTHER INFORMATION CONTACT:

Colby Abbott, Rules and Regulations Group, Office of Policy, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267-8783.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it would modify the National Airspace System as necessary to preserve the safe and efficient flow of air traffic.

Comments Invited

Interested parties are invited to participate in this proposed rulemaking by submitting such written data, views, or arguments as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal.

Communications should identify both docket numbers (FAA Docket No. FAA-2020-0306; Airspace Docket No. 20-ASO-13) and be submitted in triplicate to the Docket Management Facility (see **ADDRESSES** section for address and phone number). You may also submit comments through the internet at <https://www.regulations.gov>.

Commenters wishing the FAA to acknowledge receipt of their comments on this action must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to FAA Docket No. FAA-2020-0306; Airspace Docket No. 20-ASO-13." The postcard will be date/time stamped and returned to the commenter.

All communications received on or before the specified comment closing

date will be considered before taking action on the proposed rule. The proposal contained in this action may be changed in light of comments received. All comments submitted will be available for examination in the public docket both before and after the comment closing date. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded through the internet at <https://www.regulations.gov>. Recently published rulemaking documents can also be accessed through the FAA's web page at https://www.faa.gov/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received and any final disposition in person in the Dockets Office (see **ADDRESSES** section for address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined during normal business hours at the office of the Operations Support Group, Central Service Center, Federal Aviation Administration, 10101 Hillwood Blvd., Fort Worth, TX, 76177.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

Background

The FAA is planning to decommission the VOR portion of the Bowling Green, KY (BWG), VORTAC in September 2020. The Bowling Green VOR was one of the candidate VORs identified for discontinuance by the FAA's VOR MON program and listed in the Final policy statement notice, "Provision of Navigation Services for the Next Generation Air Transportation System (NextGen) Transition to Performance-Based Navigation (PBN) (Plan for Establishing a VOR Minimum Operational Network)," published in the **Federal Register** of July 26, 2016 (81 FR 48694), Docket No. FAA-2011-1082.

Although the VOR portion of the Bowling Green VORTAC is planned for decommissioning, the DME portion is being retained with the "BWG" identifier. The air traffic service (ATS) routes affected by the Bowling Green VOR decommissioning are jet route J-6; VOR Federal airways V-5, V-49, V-52, and V-243; and RNAV route T-325. A separate NPRM was published in the **Federal Register** (85 FR 16585; March 24, 2020) for Docket No. FAA-2020-0188 to amend ATS routes J-6, V-5, V-49, V-243, and T-325. This NPRM proposes to amend V-52 due to the planned decommissioning of the VOR portion of the Bowling Green VORTAC.

With the planned decommissioning of the Bowling Green VOR, the remaining ground-based NAVAID coverage in the area is insufficient to enable the continuity of V-52 within the affected area. As such, the proposed modification to V-52 would result in the airway segment south of the Central City, KY, VORTAC being removed.

To overcome the removal of the V-52 airway segment, the FAA plans to retain the current fix located along the affected airway segment to assist pilots and air traffic controllers already familiar with it, for navigation purposes. Additionally, the Bowling Green, KY, DME facility is planned to be retained and charted in its current location as a DME facility with the "BWG" identifier.

Instrument flight rules (IFR) traffic could use existing adjacent ATS route segments (including V-4, V-11, V-47, V-51, V-140, V-513, and T-325), file point-to-point using the fixes that will remain in place, or receive air traffic control radar vectors to continue operating through the affected area. Visual flight rules (VFR) pilots who elect to navigate via the airways through the affected area could also take advantage of the air traffic services previously listed.

The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 to modify VOR Federal airway V-52 due to the planned decommissioning of the VOR portion of the Bowling Green, KY, VORTAC. The proposed VOR Federal airway action is described below.

V-52: V-52 currently extends between the Des Moines, IA, VORTAC and the Livingston, TN, VOR/DME. The FAA proposes to remove the airway segment overlying the Bowling Green, KY, VORTAC between the Central City, KY, VORTAC and the Livingston, TN, VOR/DME. Additional changes to other portions of the airway have been proposed in a separate NPRM. The

unaffected portions of the existing airway would remain as charted.

The NAVAID radials listed in the V-52 description below are unchanged and stated in True degrees.

VOR Federal airways are published in paragraph 6010(a) of FAA Order 7400.11D dated August 8, 2019, and effective September 15, 2019, which is incorporated by reference in 14 CFR 71.1. The VOR Federal airway listed in this document would be subsequently published in the Order.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 6010(a) Domestic VOR Federal Airways

* * * * *

V-52 [Amended]

From Des Moines, IA; Ottumwa, IA; Quincy, IL; St. Louis, MO; Troy, IL; INT Troy 099° and Pocket City, IN, 311° radials; Pocket City; to Central City, KY.

DEPARTMENT OF EDUCATION

34 CFR Part 263

RIN 1810-AB54

[Docket ID ED-2019-OESE-0126]

Indian Education Discretionary Grant Programs; (Demonstration Grants for Indian Children and Youth Program)

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Department of Education (Department) proposes to revise the regulations that govern the Demonstration Grants for Indian Children and Youth Program (Demonstration program), authorized under title VI of the Elementary and Secondary Education Act of 1965, as amended (ESEA), to implement changes to title VI resulting from the enactment of the Every Student Succeeds Act (ESSA). These proposed regulations would update, clarify, and improve the current regulations. The Secretary also proposes a new priority, and accompanying requirements and selection criteria, for applicants proposing to empower Tribes and families to decide which education services will best support their children to succeed in college and careers.

DATES: We must receive your comments on or before April 30, 2020.

ADDRESSES: Submit your comments through the Federal eRulemaking Portal or via postal mail, commercial delivery, or hand delivery. We will not accept comments submitted by fax or by email or those submitted after the comment period. To ensure that we do not receive duplicate copies, please submit your comments only once. In addition, please include the Docket ID at the top of your comments.

• **Federal eRulemaking Portal:** Go to www.regulations.gov to submit your comments electronically. Information on using Regulations.gov, including instructions for accessing agency documents, submitting comments, and viewing the docket, is available on the site under “Help.”

• **Postal Mail, Commercial Delivery, or Hand Delivery:** The Department strongly encourages commenters to submit their comments electronically. However, if you mail or deliver your comments about these proposed regulations, address them to Bianca Williams, U.S. Department of Education, 400 Maryland Avenue SW, Room 3W237, Washington, DC 20202-6110. Telephone: (202) 453-5671.

Privacy Note: The Department’s policy is to make all comments received from members of the public available for public viewing in their entirety on the Federal eRulemaking Portal at www.regulations.gov. Therefore, commenters should be careful to include in their comments only information that they wish to make publicly available.

FOR FURTHER INFORMATION CONTACT: Bianca Williams, U.S. Department of Education, 400 Maryland Avenue SW, Room 3W237, Washington, DC 20202-6110. Telephone: (202) 453-5671.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call (800) 877-8339.

SUPPLEMENTARY INFORMATION:

Invitation to Comment: We invite you to submit comments regarding these proposed regulations. To ensure that your comments have maximum effect in developing the final regulations, we urge you to identify clearly the specific section or sections of the proposed regulations that each of your comments addresses and to arrange your comments in the same order as the proposed regulations.

We invite you to assist us in complying with the specific requirements of Executive Orders 12866 and 13563 and their overall requirement of reducing regulatory burden that might result from these proposed regulations. Please let us know of any further ways we could reduce potential
