

changes in past due and nonaccrual home equity credits and charge-offs and recoveries of such credits warrant supervisory follow-up. To provide time needed for any systems changes, the Board will implement this new memorandum item as of the March 31, 2021.

Timing

As stated in the December 2019 notice, the Board planned to make the capital-related reporting changes described above to be effective the same quarters as the effective dates of the various final capital rules discussed in this notice. Thus, the reporting revisions to the FR Y-9C, as applicable, will take effect March 31, 2020, for the capital simplifications rule and the community bank leverage ratio rule. Non-advanced approaches institutions may elect to wait to adopt the capital simplifications rule for reporting purposes until the June 30, 2020, report date. The reporting revisions to the FR Y-9C, as applicable, will take effect June 30, 2020, for the standardized approach for counterparty credit risk on derivative contracts final rule and the high volatility commercial real estate exposures final rule. However, the mandatory compliance date for reporting in accordance with the standardized approach for counterparty credit risk final rule is the March 31, 2022, report date.

In addition, the reporting of operating lease liabilities as "All other liabilities" in FR Y-9C will take effect March 31, 2020, and the change in the reporting of construction, land development, and other land loans with interest reserves in FR Y-9 Schedule HC-C, Part I, will take effect March 31, 2021. The requirement to continue reporting HELOCs that convert to closed-end status as open-end loans in Schedule HC-C, Part I, will apply to those HELOCs that convert on or after January 1, 2021, with pre-2021 conversions subject to the transition guidance described in Section II.I. above; new Memorandum item 15 in Schedule HC-C, for HELOCs in non-revolving closed-end status that are reported as open-end loans will take effect March 31, 2021.

The specific wording of the captions for the new or revised FR Y-9C data items discussed in this notice and the numbering of these data items should be regarded as preliminary, and may be changed prior to the effective date of these items.

Proposed Revisions to the FR Y-9CS

The Board proposed to revise the FR Y-9CS to clarify that response to the report is voluntary. No comments were received during the comment period.

Board of Governors of the Federal Reserve System, March 27, 2020.

Secretary of the Board.

The Privacy Act allows individuals the right to access records maintained about them in a Board system of records. Your request for access must:

You may submit your Privacy Act request to the—

Secretary of the Board, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

ACTION: Notice of online portal for agency guidance documents.

SUMMARY: In accordance with Executive Order (E.O.) 13891, "Promoting the Rule of Law Through Improved Agency Guidance Documents," dated October 9, 2019, and Office of Management and Budget (OMB) Memorandum M-20-02, dated October 31, 2019, GSA established an online portal for the public to access GSA guidance documents. Although GSA did not identify agency guidance that falls under the auspices of E.O. 13891 in terms of effecting the behavior of regulated parties, the portal provides links to GSA program web pages, which contain internal GSA guidance documents, in support of the intent of E.O. 13891.

DATES: The portal and associated link will be active as of March 28, 2020.

ADDRESSES: The portal may be found at gsa.gov/guidance.

FOR FURTHER INFORMATION CONTACT: Mathias Bustamante, Office of Acquisition Policy, Office of Government-wide Policy, General Services Administration, 1800 F Street NW, Washington, DC 20405, 202-501-2735.

SUPPLEMENTARY INFORMATION:

This **Federal Register** Notice announces that: (a) GSA launched a website at gsa.gov/guidance, which includes internal GSA guidance documents, in accordance with E.O. 13891 (84 FR 55235, Oct. 9, 2019); (b) GSA has updated its internal directive for writing external directives (1812.1A CHGE1 OGP) to provide instructions to GSA program components on how to comply with E.O. 13891, which will be available via gsa.gov/guidance; and (c) GSA will include additional internal guidance documents to the gsa.gov/guidance website when identified. Although GSA has not identified any guidance that falls within the auspices of E.O. 13891, the above actions are in compliance with the intent of E.O. 13891.

While GSA does issue guidance documents such as Federal Travel Regulation bulletins, these are internal

guidance issued to Federal agencies, which are specifically excluded from the E.O. GSA has not identified any areas where GSA issues guidance intended to have future effects on the behavior of regulated parties, as defined by E.O. 13891. However, as GSA acknowledges that there is a possibility that it may issue such guidance in the future, it is proactively taking steps to ensure it remains compliant with all requirements of E.O. 13891.

GSA's online guidance portal contains links to GSA program websites containing internal guidance, as that term is defined in E.O. 13891. The portal also reiterates that: (1) The contents of the guidance documents found through the portal do not have the force and effect of law and are not legally binding, except as authorized by law or as incorporated into a contract, and (2) these documents are intended only to provide clarity to the public regarding existing requirements under statutes and regulations administered by GSA.
