

216.103 as an impact resulting from the specified activity: (1) That is likely to reduce the availability of the species to a level insufficient for a harvest to meet subsistence needs by: (i) Causing the marine mammals to abandon or avoid hunting areas; (ii) Directly displacing subsistence users; or (iii) Placing physical barriers between the marine mammals and the subsistence hunters; and (2) That cannot be sufficiently mitigated by other measures to increase the availability of marine mammals to allow subsistence needs to be met.

As discussed above in the subsistence uses section, subsistence harvest of harbor seals and other marine mammals is rare in the area and local subsistence users have not expressed concern about this project. All project activities will take place within the Favorite Channel area where subsistence activities do not generally occur. The project also will not have an adverse impact on the availability of marine mammals for subsistence use at locations farther away, where these construction activities are not expected to take place. Some minor, short-term harassment of the harbor seals and Steller sea lions could occur, but any effects on subsistence harvest activities in the region will be minimal, and not have an adverse impact.

Based on the effects and location of the specified activity, and the mitigation and monitoring measures, NMFS has preliminarily determined that there will not be an unmitigable adverse impact on subsistence uses from GCHS's planned activities.

Endangered Species Act (ESA)

Section 7(a)(2) of the Endangered Species Act of 1973 (ESA: 16 U.S.C. 1531 *et seq.*) requires that each Federal agency insure that any action it authorizes, funds, or carries out is not likely to jeopardize the continued existence of any endangered or threatened species or result in the destruction or adverse modification of designated critical habitat. To ensure ESA compliance for the issuance of IHAs, NMFS consults internally, in this case with the Alaska Region Protected Resources Division Office, whenever we propose to authorize take for endangered or threatened species.

NMFS is proposing to authorize take of Western DPS Steller sea lion (*Eumetopias jubatus*) and Mexico DPS of humpback whales (*Megaptera novaeangliae*), which are listed under the ESA. The Permits and Conservation Division has requested initiation of Section 7 consultation with the Alaska Region for the issuance of this IHA. NMFS will conclude the ESA

consultation prior to reaching a determination regarding the proposed issuance of the authorization.

Proposed Authorization

As a result of these preliminary determinations, NMFS proposes to issue an IHA to GCHS for conducting the Sentinel Island Moorage Float project near Juneau, Alaska between July 20, 2020 and July 19, 2021, provided the previously mentioned mitigation, monitoring, and reporting requirements are incorporated. A draft of the proposed IHA can be found at <https://www.fisheries.noaa.gov/permit/incidental-take-authorizations-under-marine-mammal-protection-act>.

Request for Public Comments

We request comment on our analyses, the proposed authorization, and any other aspect of this Notice of Proposed IHA for the proposed Sentinel Island Moorage Float project. We also request at this time comment on the potential renewal of this proposed IHA as described in the paragraph below. Please include with your comments any supporting data or literature citations to help inform decisions on the request for this IHA or a subsequent Renewal IHA.

On a case-by-case basis, NMFS may issue a one-year Renewal IHA following notice to the public providing an additional 15 days for public comments when (1) up to another year of identical, or nearly identical, activities as described in the Detailed Description of Specific Activity section of this notice is planned or (2) the activities as described in the Detailed Description of Specific Activity section of this notice would not be completed by the time the IHA expires and a Renewal would allow for completion of the activities beyond that described in the *Dates and Duration* section of this notice, provided all of the following conditions are met:

- A request for renewal is received no later than 60 days prior to the needed Renewal IHA effective date (recognizing that Renewal IHA expiration date cannot extend beyond one year from expiration of the initial IHA).
- The request for renewal must include the following:

(1) An explanation that the activities to be conducted under the requested Renewal IHA are identical to the activities analyzed under the initial IHA, are a subset of the activities, or include changes so minor (*e.g.*, reduction in pile size) that the changes do not affect the previous analyses, mitigation and monitoring requirements, or take estimates (with the exception of reducing the type or amount of take).

(2) A preliminary monitoring report showing the results of the required monitoring to date and an explanation showing that the monitoring results do not indicate impacts of a scale or nature not previously analyzed or authorized.

- Upon review of the request for Renewal, the status of the affected species or stocks, and any other pertinent information, NMFS determines that there are no more than minor changes in the activities, the mitigation and monitoring measures will remain the same and appropriate, and the findings in the initial IHA remain valid.

Dated: March 27, 2020.

Donna S. Wieting,

*Director, Office of Protected Resources,
National Marine Fisheries Service.*

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[RTID 0648-XA097]

South Atlantic Fishery Management Council; Public Meetings

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meetings.

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold a meeting of its Habitat Protection and Ecosystem-Based Management Advisory Panel (AP).

DATES: The AP meeting will be conducted via webinar on Wednesday, April 22, 2020, from 9 a.m. to 11 p.m. and from 1 p.m. to 3 p.m.

ADDRESSES:

Meeting address: The meeting will be held via webinar.

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, SAFMC; phone: (843) 571-4366 or toll free (866) SAFMC-10; fax: (843) 769-4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The Habitat AP meeting is open to the public and will be available via webinar as it occurs. Registration is required. Webinar registration information and other meeting materials will be posted to the Council's website at: <http://safmc.net/safmc-meetings/current->

advisory-panel-meetings/ as it becomes available.

The Habitat AP meeting agenda includes the following:

Updates on NOAA Fisheries Ecosystem-Based Fishery Management Activities for the South Atlantic Region including the development of a South Atlantic Ecosystem Status Report and a South Atlantic Climate Vulnerability Analysis; NOAA Mapping and Characterization of South Atlantic Deep Water Ecosystems.

AP members will also receive a status report on the Council action to designate Bullet and Frigate Mackerel as Ecosystem Component Species to the Dolphin Wahoo Fishery Management Plan and a report from Council/NOAA Fisheries Essential Fish Habitat Consultation and Regional Innovations Workshop. The AP will receive updates on the following: The South Atlantic Ecopath with Ecosim Model and Scientific and Statistical Committee (SSC) Workgroup Review and Development of Ecospace; the Kitty Hawk Wind Project; Southeast Coastal Ocean Observing Regional Association (SECOORA) Products associated with extreme events and 2021 IOOS (Integrated Ocean Observing System) proposal; And Fishery Independent Research in the South Atlantic Region through the Southeast Reef Fish Survey (SERFS).

The AP will develop recommendations as necessary for consideration by the Council's Habitat Protection and Ecosystem-Based Management Committee.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 3 days prior to the meeting.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: March 27, 2020.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510-22-P

BUREAU OF CONSUMER FINANCIAL PROTECTION

[Docket No. CFPB-2020-0013]

Request For Information To Assist the Taskforce on Federal Consumer Financial Law

AGENCY: Bureau of Consumer Financial Protection.

ACTION: Notice and request for information.

SUMMARY: The Bureau of Consumer Financial Protection (Bureau) is seeking comments and information from interested parties to assist the Taskforce on Federal Consumer Financial Law (Taskforce). The Taskforce is an independent body within the Bureau and reports to the Bureau's Director. The Taskforce is charged with developing recommendations on harmonizing, modernizing, and updating the Federal consumer financial laws, as well as identifying gaps in knowledge that should be addressed through research, ways to improve consumer understanding of markets and products, and potential conflicts or inconsistencies in existing regulations and guidance.

DATES: Comments must be received by June 1, 2020.

ADDRESSES: You may submit responsive information and other comments, identified by Docket No. CFPB-2020-0013, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Email:* 2020-RFI-Taskforce@cfpb.gov. Include Docket No. CFPB-2020-0013 in the subject line of the message.
- *Hand Delivery/Courier/Mail:* Comment Intake, Bureau of Consumer Financial Protection, 1700 G Street NW, Washington, DC 20552.

Instructions: The Bureau encourages the early submission of comments. All submissions must include the document title and docket number. Please note the number of the question on which you are commenting at the top of each response (you do not need to answer all questions). Because paper mail in the Washington, DC area and at the Bureau is subject to delay, commenters are encouraged to submit comments electronically. In general, all comments received will be posted without change to <http://www.regulations.gov>. In addition, comments will be available for public inspection and copying at 1700 G St. NW, Washington, DC 20552, on official business days between the hours of 10 a.m. and 5 p.m. eastern standard

time. You can make an appointment to inspect the documents by telephoning 202-435-7275.

All submissions in response to this request for information, including attachments and other supporting materials, will become part of the public record and subject to public disclosure. Sensitive personal information, such as account numbers or Social Security numbers, or names of other individuals, should not be included. Submissions will not be edited to remove any identifying or contact information.

FOR FURTHER INFORMATION CONTACT: Nat Weber, Chief of Staff, or Matt Cameron, Staff Director, Taskforce on Federal Consumer Financial Law, at 202-435-7700. If you require this document in an alternative electronic format, please contact CFPB_accessibility@cfpb.gov.

SUPPLEMENTARY INFORMATION:

I. Background

The Director of the Bureau established the Taskforce pursuant to the executive and administrative powers conferred on the Bureau by sections 1013(a) and 1021(c) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act). The Taskforce is charged with (1) examining the existing legal and regulatory environment facing consumers and providers of consumer financial products and services; and (2) reporting its recommendations for ways to improve and strengthen Federal consumer financial laws, including recommendations for resolving conflicting requirements or inconsistencies, reducing unwarranted regulatory burdens in light of market or technological developments, improving consumer understanding of markets and products and services, and identifying gaps in knowledge that the Bureau should address through future research. Where possible and within time constraints, the Taskforce's report may include recommendations relating to the 18 enumerated consumer laws and titles X and XIV of the Dodd-Frank Act, including those provisions relating to unfair, deceptive, or abusive acts or practices. The Taskforce's recommendations may include actions that the Bureau could carry out using its current authorities and actions that would require legislation to implement.

The Taskforce is inspired in part by an earlier commission established in 1968 by the Consumer Credit Protection Act (Act). In addition to various changes to consumer law generally, the Act established a national commission to conduct original research and provide Congress with recommendations relating to the regulation of consumer
