

II. What is the agency's authority for this action?

TSCA section 8(b)(10), 15 U.S.C. 2507(b)(10), as amended by the Lautenberg Act of 2016, directs EPA to carry out and publish in the **Federal Register** not later than April 1, 2017, and every three years thereafter, an inventory of mercury supply, use, and trade in the United States. TSCA section 8(b)(10)(A) defines "mercury" as "elemental mercury" or "a mercury compound" (15 U.S.C. 2507(b)(10)(A)). In carrying out the mercury inventory, EPA is to "identify any manufacturing processes or products that intentionally add mercury" (15 U.S.C. 2607(b)(10)(C)(i)) and "recommend actions, including proposed revisions of Federal law or regulations, to achieve further reductions in mercury use" (15 U.S.C. 2607(b)(10)(C)(ii)).

III. What action is the agency taking?

EPA is announcing the availability of a report entitled "Inventory of Mercury Supply, Use, and Trade in the United States: 2020 Report," which provides an inventory of mercury supply, use, and trade in the United States. This is the first report in which the supply, use, and trade of mercury is presented based on data collected by EPA under the final rule Mercury; Reporting Requirements for the TSCA Mercury Inventory, codified in 40 CFR part 713 (83 FR 30054, June 27, 2018)(FRL-9979-74). Persons subject to the reporting requirements in 40 CFR part 713 submitted information directly to EPA via the Mercury Electronic Reporting (MER) application, which is accessed through the Agency's Central Data Exchange (CDX). The deadline for reporting mercury information to EPA was July 1, 2019 for reporting activities that occurred in the calendar year 2018, and the inventory collection, reporting, and publication cycle will continue every three years thereafter.

IV. How can I access this report?

The 2020 inventory report may be found in the docket for this action and on the EPA Mercury website (<https://www.epa.gov/mercury>).

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Youth Empowerment Information, Data Collection, and Exploration on Avoidance of Sex (IDEAS) (New Collection)

AGENCY: Office of Planning, Research and Evaluation, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Planning, Research and Evaluation (OPRE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), proposes survey data collection activities as part of the Youth Empowerment IDEAS study.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing OPREinfocollection@acf.hhs.gov. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: OPRE/ACF/HHS proposes data collection activities as part of the Youth Empowerment IDEAS study. The goal of this project is to collect descriptive data that will inform educational topics and strategies for adolescent pregnancy prevention and youth health and well-being. The project will identify messages and themes that are most likely to resonate with youth. The project will inform hypotheses on how to increase the effectiveness of sex education approaches so that more youth avoid the risks associated with teen sex and teen pregnancy rates are reduced. To support these efforts, we seek approval from the Office of Management and Budget to collect survey information from youth and young adults ages 14-24 and of parents of teens ages 14-18 using an online panel that is based on a

probability-based sample of the U.S. population. We propose the following data collection instruments:

(1) *Parent Survey*: We will administer this as a web survey. Information collected through the Parent Survey will be used to report on demographics, the parent-child relationship, parents' attitudes and beliefs about youth sex education and sexual behaviors, and parental knowledge about youth sexual risk-taking.

(2) *Youth Survey*: We will administer a web survey in two parts to youth ages 14–18. Information collected on Part I of the survey will be used to report on demographics, the parent-child relationship, future aspirations, and attitudes and beliefs about youth sexual behavior. Information collected on Part II of the survey will include knowledge about sexual risk, experience with sex education, and sexual risk behaviors.

(3) *Young Adult Survey*: We will administer this to young adults ages 19–24 as a web survey. Topics align with the youth survey, but with slight wording changes to reflect the older population.

Respondents: The survey respondents are from an online panel of a probability-based sample of the U.S. population of parents of youth ages 14–18 and their youth ages 14–18 and of young adults ages 19–24.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents (total over request period)	Number of responses per respondent (total over request period)	Average burden per response (in hours)	Total burden (in hours)	Annual burden (in hours)
(1) Parent Survey	1,550	1	.333	516	172
(2) Part I Youth Survey	675	1	.333	225	75
(3) Part II Youth Survey	540	1	.333	180	60
(4) Young Adult Survey	775	1	.583	452	151

Estimated Total Annual Burden Hours: 458.

Comments: The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Submission for OMB Review; State Plan Child Support Collection and Establishment of Paternity Title IV-D OCSE-100 and OCSE-21-U4

AGENCY: Office of Child Support Enforcement, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Child Support Enforcement (OCSE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is requesting a three-year extension of the forms OCSE-21-U4: Transmittal and Notice of Approval of State Plan Material for: Title IV-D of the Social Security Act and OCSE-100: State Plan (OMB #0970-0017, expiration 7/31/2020).

DATES: *Comments due within 30 days of publication.* OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent directly to the following: Office of Management and Budget, Paperwork Reduction Project, Email: *OIRA_*

SUBMISSION@OMB.EOP.GOV, Attn: Desk Officer for the Administration for Children and Families.

Copies of the proposed collection may be obtained by emailing *infocollection@acf.hhs.gov*. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: ACF Reports Clearance Officer. All requests, emailed or written, should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: OCSE has approved an IV-D state plan for each state. Federal regulations require states to amend their state plans only when necessary to reflect new or revised federal statutes, regulations, or material changes in any state laws, regulations, policies, or IV-D agency procedures. The requirement for submission of a state plan and plan amendments for the Child Support Enforcement Program is found in sections 452, 454, and 466 of the Social Security Act. OCSE made minor revisions to the OCSE-21-U4 to remove outdated language and add an option for states to electronically request or renew an exemption from the mandatory laws and procedures in Section 466 of the Social Security Act via the online state plan system. These revisions do not increase the burden of the OCSE-21-U4.

Respondents: State IV-D Agencies.
