5 CFR Part 532

RIN 3206-AN94

Prevailing Rate Systems; Definition of Pitt County, North Carolina, to a Nonappropriated Fund Federal Wage System Wage Area

AGENCY: Office of Personnel Management.

ACTION: Final rule.

SUMMARY: The Office of Personnel Management (OPM) is issuing a final rule to define Pitt County, North Carolina, as an area of application county to the Wayne, NC, nonappropriated fund (NAF) Federal Wage System (FWS) wage area. This change is necessary because there is one NAF FWS employee working in Pitt County, and the county is not currently defined to a NAF wage area.

DATES:

Effective date: This regulation is effective May 7, 2020.

Applicability date: This change applies on the first day of the first applicable pay period beginning on or after May 7, 2020.

FOR FURTHER INFORMATION CONTACT: Madeline Gonzalez, by telephone at (202) 606-2858 or by email at *pay-leave-policy@opm.gov*.

SUPPLEMENTARY INFORMATION: On December 31, 2019, OPM issued a proposed rule (84 FR 72250) to define Pitt County, NC, as an area of application county to the Wayne, NC, NAF FWS wage area. This change is based on a majority recommendation of the Federal Prevailing Rate Advisory Committee (FPRAC), the national labor-management committee responsible for advising OPM on the administration of the FWS.

The proposed rule had a 30-day comment period, during which OPM received no comments.

Regulatory Impact Analysis

This action is not a “significant regulatory action” under the terms of Executive Order (E.O.) 12866 (58 FR 51735, October 4, 1993) and is therefore not subject to review under E.O. 12866 and 13563 (76 FR 3821, January 21, 2011).

Reducing Regulation and Controlling Regulatory Costs

This rule is not an Executive Order 13771 regulatory action because this rule is not significant under E.O. 12866.

Regulatory Flexibility Act

OPM certifies that this rule will not have a significant economic impact on a substantial number of small entities because it will affect only Federal agencies and employees.

Federalism

We have examined this rule in accordance with Executive Order 13132, Federalism, and have determined that this rule will not have any negative impact on the rights, roles and responsibilities of State, local, or tribal governments.

Civil Justice Reform

This regulation meets the applicable standard set forth in Executive Order 12988.

Unfunded Mandates Act of 1995

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any year and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Congressional Review Act

This action pertains to agency management, personnel, and organization and does not substantially affect the rights or obligations of nonagency parties and, accordingly, is not a “rule” as that term is used by the Congressional Review Act (Subtitle E of the Small Business Regulatory Enforcement Fairness Act of 1996 (SBREFA)). Therefore, the reporting requirement of 5 U.S.C. 801 does not apply.

Paperwork Reduction Act

This rule does not impose any new reporting or recordkeeping requirements subject to the Paperwork Reduction Act.

BILLING CODE 6325-39-P

DEPARTMENT OF AGRICULTURE

Agricultural Marketing Service

7 CFR Parts 51 and 52

[Doc. No. AMS-LRRS-19-0099; SC-19-331]

Subpart Nomenclature Change; Technical Amendment

AGENCY: Agricultural Marketing Service,
USDA.

ACTION: Final rule; technical
amendment.

SUMMARY: This document makes nomenclature changes to subpart headings in the Agricultural Marketing Service's regulations to bring the language into conformance with the Office of the Federal Register (OFR) requirements.

DATES: Effective May 7, 2020.

ADDRESSES: Specialty Crops Inspection Division, Specialty Crops Program, AMS, USDA, 1400 Independence Avenue SW, Stop 0240, Washington, DC 20250-0240.

FOR FURTHER INFORMATION CONTACT: Contact Brian E. Griffin, Specialty Crops Inspection Division, Specialty Crops Program, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Avenue SW, Room 1536, South Building; Stop 0240, Washington, DC 20250; telephone (202) 720-5021; fax (202) 690-1527; or, email brian.griffin@usda.gov.

SUPPLEMENTARY INFORMATION: This action, pursuant to 5 U.S.C. 553, amends regulations issued in 7 CFR subtitle B, Regulations of the Department of Agriculture, chapter I, Agricultural Marketing Service (Standards, Inspections, Marketing Practices), Department of Agriculture. This rule is issued under the Agricultural Marketing Act of 1946 (7 U.S.C. 1621-1627) and the Egg Products Inspection Act (21 U.S.C. 1031-1056), both as amended. This rule is also

issued under 7 CFR parts 51 and 52, which establish grade standards and provide for inspection of certain fresh and processed fruits, vegetables, nuts, and specialty crops under the Agricultural Marketing Act of 1946.

This technical amendment redesignates and revises the heading of title 7, subtitle B, chapter I, subchapter C and of each subpart within 7 CFR parts 51 and 52 so that they are consistent with OFR requirements. The subparts were previously incorporated into 7 CFR parts 51 and 52 without assigned subpart letter designations. Further, some headings in subchapter C include the word "Regulations" in the title, which is inconsistent with OFR approved part and subpart headings, as each part under 7 CFR subtitle B represents a body of regulations.

For example, the heading of subchapter C, "Regulations and Standards under the Agricultural Marketing Act of 1946 and the Egg Products Inspection Act", is considered redundant by the OFR in that it denotes regulations within a body of regulation. This rule amends subchapter C by revising the heading to read, "Requirements and Standards under the Agricultural Marketing Act of 1946 and the Egg Products Inspection Act."

As a further example, the heading for 7 CFR part 51 currently includes two footnotes that might be considered regulatory in nature, which is inconsistent with OFR formatting. This rule amends part 51 by removing the information from the footnotes elsewhere in the part, as needed. The information in Footnote 1 is incorporated into § 51.2 and the information from Footnote 2 is incorporated into a new paragraph (c) to § 51.1.

Similarly, footnotes in subpart headings are removed where the text of the footnote is addressed in another provision of the subpart or part. Likewise, the note accompanying part 52 has been removed because the substance of that note is already in part 52, specifically § 52.57.

As a final example, the first subpart of part 51 is currently titled "Subpart—Regulations." This rule redesignates the first subpart of part 51 and revises its title to read "Subpart A—Requirements." This document makes similar redesignations and revisions to the other subparts in parts 51 and 52 to bring them into compliance with OFR requirements.

Additionally, 35 FR 6957, May 1, 1970 provided for a title change from U.S. Standards for Pears for Canning to U.S. Standards for Grades of Pears for

Processing. This change has not been reflected in the subsequent Code of Federal Register publications but is recognized in this rule.

This final rule is administrative in nature and makes technical changes to CFR headings that will have no impact on the regulated industries. Accordingly, pursuant to 5 U.S.C. 553(b)(3)(B), notice of proposed rulemaking and opportunity for comment are unnecessary, and there is good cause to proceed with a final rule. Although there is no formal comment period, public comments on this rule are welcome on a continuing basis. Comments should be submitted to the address or email under the **FOR FURTHER INFORMATION CONTACT** section.

This rule falls within a category of regulatory actions that the Office of Management and Budget (OMB) exempted from Executive Order 12866 review. Additionally, because this rule does not meet the definition of a significant regulatory action, it does not trigger the requirements contained in Executive Order 13771. See OMB's Memorandum titled "Interim Guidance Implementing Section 2 of the Executive Order of January 30, 2017, titled 'Reducing Regulation and Controlling Regulatory Costs'" (February 2, 2017).

This final rule has been reviewed in accordance with the requirements of Executive Order 13175, Consultation and Coordination with Indian Tribal Governments. The review reveals that this regulation would not have substantial and direct effects on Tribal Governments nor significant Tribal implications.

AMS is committed to complying with the E-Government Act to promote the use of the internet and other information technologies, to provide increased opportunities for citizen access to Government information and services, and for other purposes.

USDA has not identified any relevant Federal rules that duplicate, overlap, or conflict with this final rule.
