The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers. Authorization to Obtain Earnings Data From the Social Security Administration—0960-0602. On occasion, public and private organizations and agencies need to obtain detailed earnings information about specific Social Security number (SSN) holding wage earners for business purposes (e.g. pension funds, State agencies, etc.). Respondents use Form SSA-581 to identify the SSN holder whose information they are requesting, and provide authorization from the SSN holder, when applicable. SSA uses the information provided on Form SSA-581 to: (1) Identify the wage earner; (2) establish the period of earnings information requested; (3) verify the wage earner authorized SSA to release this information to the requesting party; and (4) produce the Itemized Statement of Earnings (SSA-1826). The respondents are private businesses, state or local agencies, and other federal agencies. Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
SSA-581	24,000	1	2	800	*\$30.29	**\$24,232

* We based this figure on average Compensation, Benefits, and Job Analysis Specialists hourly wage data from the BLS website. Since most respondents are from the private sector, and wages for private sector are comparable to those of the state and local governments, we did not differentiate between the two.

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments,

we must receive them no later than May 7, 2020. Individuals can obtain copies of the OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. Request for Corrections of Earnings Record—20 CFR 404.820 and 20 CFR 422.125—0960-0029. Individuals

alleging inaccurate earnings records in SSA's files use paper Form SSA-7008, or a personal interview during which SSA employees key their answers into our electronic Earnings Modernization Item Correction system, to provide the information SSA needs to check
