BLU Products, Inc. (BLU) submitted a notification of proposed production activity to the FTZ Board for its facility in Doral, Florida. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 1, 2020.

The BLU facility is located within FTZ 32. The facility will be used for the assembly, disassembly, and kitting of cellular (cell) phones, and their accessories and components. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt BLU from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, BLU would be able to choose the duty rates during customs entry procedures that apply to cell phones, and their accessories and components (duty rate ranges from duty-free to 5.0%). BLU would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Cell phones; paper labels; plastic components (SIM card; blister package; audio adapter; screen insert; back housing battery cover; flash cover; front cover housing; SIM card tray; flex power cable for power and volume keys; internal speaker housing; phone vibrator; volume key button; internal cell phone earpiece net; battery cooling film; housing net; keypad dome; phone power key); hands-free headphones; polyurethane and copper data cables; lithium-ion batteries; tempered glass; paperboard gift/retail boxes; master

The request indicates that the materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is May 18, 2020.
