

process for grantees, reports the use of grantee funds in sufficient detail to allow interim adjustments that ensure all appropriated funding is expended properly, and provides data needed for VETS' biennial report to Congress. The forms and reports collect required programmatic and financial data from grantees. The continued use of standardized formats for collecting this information helps to ensure that requested data is provided in a uniform way, reporting burdens are minimized, the impact of collection requirements on respondents are properly assessed, collection instruments are clearly understood by respondents, and the information is easily consolidated for posting in accordance with statutory requirements. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on September 19, 2019 (84 FR 49344).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks reinstatement and PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

## DEPARTMENT OF LABOR

### Office of the Secretary

#### **Agency Information Collection Activities; Submission for OMB Review; Comment Request; Health Standards for Diesel Particulate Matter Exposure (Underground Coal Mines)**

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting this Mine Safety and Health Administration (MSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that agency receives on or before May 11, 2020.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

**FOR FURTHER INFORMATION CONTACT:** Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** Section 103(h) of the Federal Mine Safety and

Health Act of 1977 (Mine Act), 30 U.S.C. 813(h), authorizes MSHA to collect information necessary to carry out its duty in protecting the safety and health of miners. Further, section 101(a) of the Mine Act, 30 U.S.C. 811, authorizes the Secretary of Labor to develop, promulgate, and revise as may be appropriate, improved mandatory health or safety standards for the protection of life and prevention of injuries in coal and metal and nonmetal mines. MSHA establishes standards and regulations for diesel-powered equipment in underground coal mines that provide additional important protection for coal miners who work on and around diesel-powered equipment. The standards are designed to reduce the risks to underground coal miners of serious health hazards that are associated with exposure to high concentrations of diesel particulate matter. The standards in sections 72.510(a) & (b), and 72.520(a) & (b) contain information collection requirements for underground coal mine operators. Section 72.510(a) requires underground coal mine operators to provide annual training to all miners who may be exposed to diesel emissions. The training must include: Health risks associated with exposure to diesel particulate matter; methods used in the mine to control diesel particulate concentrations; identification of the personnel responsible for maintaining those controls; and actions miners must take to ensure that controls operate as intended. Under Section 72.510(b) underground coal mine operators are required to keep a record of the training for one year. Section 72.520(a) and (b) requires underground coal mine operators to maintain an inventory of diesel powered equipment units together with a list of information about any unit's emission control or filtration system. The list must be updated within 7 calendar days of any change. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 27, 2020 (85 FR 4708).

## DEPARTMENT OF LABOR

### Office of the Secretary

#### Agency Information Collection Activities; Submission for OMB Review; Comment Request; Complaint Involving Employment Discrimination by a Federal Contractor or Subcontractor

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting this Office of Federal Contract Compliance Programs (OFCCP)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that agency receives on or before May 11, 2020.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). **FOR FURTHER INFORMATION CONTACT:**

Frederick Licari by telephone at 202–693–8073, TTY 202–693–8064, (these are not toll-free numbers) or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** OFCCP administers and enforces the three equal employment opportunity laws listed below:

- Executive Order 11246, as amended (E.O. 11246);
- Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793 (Section 503); and
- Vietnam Era Veterans’ Readjustment Assistance Act of 1974 (VEVRAA), as amended, 38 U.S.C. 4212.

These authorities prohibit employment discrimination by Federal contractors and subcontractors and require them to take affirmative action to ensure that equal employment opportunities are available regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran. Additionally, Federal contractors and subcontractors are prohibited from discriminating against applicants and employees for asking about, discussing, or sharing information about their pay or, in certain circumstances, the pay of their co-workers. Federal contractors and subcontractors are further prohibited from harassing, intimidating, threatening, coercing, or discriminating against individuals who file a complaint, assist or participate in any OFCCP investigation, oppose any discriminatory act or practice, or otherwise exercise their rights protected by OFCCP’s laws.

No private right of action exists under the authorities that are enforced by OFCCP, *i.e.*, a private individual may not bring a lawsuit against an employer (or prospective employer) for noncompliance with its contractual

obligations enforced by OFCCP. However, any employee of, or applicant for employment with, a federal contractor or subcontractor may file a complaint with OFCCP alleging discrimination or failure to comply with affirmative action obligations. OFCCP encourages such employees and applicants to file their complaints by completing its complaint form (“Form CC–4”). OFCCP investigates the complaint but retains the discretion whether to pursue administrative or judicial enforcement. If a complaint is filed under E.O. 11246 or Section 503, OFCCP may refer it to the U.S. Equal Employment Opportunity Commission (EEOC).<sup>1</sup> OFCCP investigates all complaints filed under VEVRAA. Under E.O. 11246, the authority for collection of complaint information is Section 206(b). The implementing regulations which specify the content of this information collection are found at 41 CFR 60–1.23. Under VEVRAA, the authority for collecting complaints information is at 38 U.S.C. 4212(b) and the implementing regulations which specify the content of VEVRAA complaints are found at 41 CFR 60–300.61(b). The statutory authority for collecting complaint information under Section 503 is at 29 U.S.C. 793(b), and the implementing regulations which specify the content of Section 503 complaints are found at 41 CFR 60–741.61(c). This information collection request covers the recordkeeping and reporting requirements for Form CC–4.

For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 21, 2019 (84 FR 56205).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number.
