AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that four companies made no shipments of subject merchandise. Further, we are rescinding the review with respect to Maple Ribbon Co., Ltd. (Maple Ribbon). Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 9, 2020.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer or David Crespo, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3860 or (202) 482-3693, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 3, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty (AD) order on narrow woven ribbons with woven selvage (NWR) from Taiwan for the September 1, 2018 through August 31, 2019 period of review (POR).¹ On September 25, 2019, Commerce received a timely request, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), from Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, LLC (the petitioner) to conduct an administrative review of the AD order on NWR from Taiwan manufactured and/or exported by five companies: Banduoo Ltd. (Banduoo), Fujian Rongshu Industry Co., Ltd. (Fujian Rongshu), Maple Ribbon, Rong Shu Industry Corporation (Rong Shu), and Xiamen Yi-He Textile Co., Ltd. (Xiamen Yi-He).²

In November 2019, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the AD order on NWR from Taiwan with respect to these five companies.³ Also in November 2019, we received timely submissions from Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He notifying Commerce that they did not export or sell subject merchandise to the United States during the POR.⁴

In March 2020, we confirmed Banduoo's, Fujian Rong Shu's, Rong Shu's, and Xiamen Yi-He's no shipment claims with U.S. Customs and Border Protection (CBP).⁵ In December 2019, we selected Maple Ribbon as a mandatory respondent in this review

and issued an AD questionnaire to it.⁶ However, in January 2020, the petitioner timely withdrew its request for an administrative review with respect to Maple Ribbon.⁷

Scope of the Order

The scope of this order covers narrow woven ribbons with woven selvage, in any length, but with a width (measured at the narrowest span of the ribbon) less than or equal to 12 centimeters, composed of, in whole or in part, man-made fibers (whether artificial or synthetic, including but not limited to nylon, polyester, rayon, polypropylene, and polyethylene terephthalate), metal threads and/or metalized yarns, or any combination thereof. Narrow woven ribbons subject to the order may:

- Also include natural or other non-man-made fibers;

- be included within a kit or set such as when packaged with other products, including but not limited to gift bags, gift boxes and/or other types of ribbon.

The HTSUS statistical categories and subheadings are provided for convenience and customs purposes; however, the written description of the merchandise covered by this order is dispositive.

Preliminary Determination of No Shipments

Because Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He timely filed statements reporting that they made no shipments of subject merchandise to the United States during

the POR,⁸ and we were able to confirm these claims with CBP,⁹ we preliminarily determine that these four companies had no shipments during the POR.

Consistent with our practice, we are not preliminarily rescinding the review with respect to Banduoo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He but, rather, we will complete the review with respect to these companies and issue appropriate instructions to CBP based on the final results of this review.¹⁰

Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioner’s withdrawal of its request with respect to Maple Ribbon was submitted within the 90-day period, and thus is timely.¹¹ Because the petitioner’s withdrawal of its request with respect to Maple Ribbon for an AD administrative review is timely, and because no other party requested a review of this company, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review, in part, with respect to Maple Ribbon.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of this notice.¹² Rebuttal briefs, limited to issues raised in the case briefs, may be submitted no later than seven days after the deadline date for case briefs.¹³ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party’s name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹⁶

Assessment Rates

With respect to Maple Ribbon, Commerce will instruct CBP to assess antidumping duties at the cash deposit rate in effect on the date of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue liquidation instructions to CBP 15 days after publication of this notice.

had no shipments of subject merchandise during the POR, we will instruct CBP to liquidate any suspended entries that entered under their AD case numbers (*i.e.*, at that exporter's rate), or at the all-others rate, if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue liquidation instructions for Banduuo, Fujian Rongshu, Rong Shu, and Xiamen Yi-He to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) For merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published from the most recently completed segment; (2) if the exporter is not a firm covered in this review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment for the manufacturer of the merchandise; and (3) the cash deposit rate for all other manufacturers or exporters will continue to be 4.37 percent, the all-others rate determined in the less-than-fair-value investigation.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as a preliminary reminder to parties subject to administrative protective order (APO) of

their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

Carbon and Alloy Steel Threaded Rod From India: Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), we are issuing an antidumping duty order on carbon and alloy steel threaded rod (threaded rod) from India.

Additionally, we are amending our final affirmative determination of sales at less than fair value (LTFV) for carbon and alloy steel threaded rod from India as a result of a ministerial error.

DATES: Applicable April 9, 2020.

FOR FURTHER INFORMATION CONTACT: Annatheia Cook or Jerry Huang, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-0250 or (202) 482-4047, respectively.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 735(d) and 777(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), on February 18, 2020, Commerce published its affirmative

final determination in the LTFV investigation of imports of carbon and alloy steel threaded rod from India.¹ On April 3, 2020, the ITC notified Commerce of its final determination, pursuant to section 735(b)(1)(A)(i) of the Act, that an industry in the United States is materially injured by reason of the LTFV imports of carbon and alloy steel threaded rod from India.²

Scope of the Order

The merchandise covered by this order is carbon and alloy steel threaded rod from India. For a complete description of the scope of the order, *see* the appendix to this notice.

Amendment to the Final Determination

A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.³

Pursuant to sections 735(e) of the Act and 19 CFR 351.224(e) and (f), Commerce is amending the *Final Determination* to reflect the correction of a ministerial error in the final estimated weighted-average dumping margin calculated for Mangal Steel Enterprise Limited (Mangal).⁴ In addition, because Mangal's estimated weighted-average dumping margin forms the basis for the estimated weighted-average dumping margin determined for all other companies, we also are revising the all others margin. The amended estimated weighted-average dumping margins are listed in the "Estimated Weighted-Average Dumping Margins" section below.

Antidumping Duty Order

On April 3, 2020, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determination in this investigation, in which it found that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of
