Postponement of Final Determination

Section 781(f) of the Act provides that, to the maximum extent practicable, Commerce shall make its anti-circumvention determinations within 300 days from the date of initiation of the inquiry. We determine that it is not practicable to make a final determination in this anti-circumvention inquiry by the current deadline of April 13, 2020, because Commerce will require additional time to notify the U.S. International Trade Commission (ITC), and to review and analyze case and rebuttal briefs. Therefore, we are extending the time period for issuing the final determination in this inquiry by 80 days, to July 2, 2020.

Notification to the ITC

Consistent with section 781(e) of the Act, Commerce is notifying the ITC of this affirmative preliminary determination to include the merchandise subject to this inquiry within the AD order on HFC blends from China. Pursuant to section 781(e) of the Act, the ITC may request consultations concerning Commerce's proposed inclusion of the subject merchandise. These consultations must be concluded within 15 days after the date of the request. If, after consultations, the ITC believes that a significant injury issue is presented by the proposed inclusion, it will have 60 days to provide written advice to Commerce.

Notification to Interested Parties

This notice is published in accordance with section 781(a) of the Act and 19 CFR 351.225(g).

Dated: April 3, 2020.
