Combination Transactions With Non-Credit Unions; Reopening of Comment Period

AGENCY: National Credit Union Administration (NCUA).

ACTION: Proposed rule; reopening of comment period.

SUMMARY: On January 30, 2020, the NCUA Board (Board) published a Notice of Proposed Rulemaking (NPRM) in the *Federal Register*. The NPRM requested comment on the Board's proposal to add subpart D to part 708a of its regulations and clarify the scope of section 741.8 of the NCUA's regulations related to procedures and requirements for combination transactions. The NPRM provided a 60-day comment period that closed on March 30, 2020. To allow stakeholders more time to consider and submit their comments, the Board has determined to reopen the comment period for an additional 60 days.

SUPPLEMENTARY INFORMATION: On January 30, 2020, the Board issued an NPRM proposing to clarify the procedures and requirements for combination transactions (85 FR 5336). Combination transactions include those where a federally insured credit union (FICU) proposes to assume liabilities from a non-credit union, including a bank, as well as a FICU's merger or consolidation with a non-credit union entity. The NPRM also clarified the scope of section 741.8 of the NCUA's regulations.

The NPRM provided a 60-day public comment period that closed on March 30, 2020. In light of the challenges posed by the COVID-19 (coronavirus infection) pandemic, various stakeholders requested additional time to comment on the proposed rule. The Board has determined that reopening the NPRM comment period, with comments now due June 15, 2020, is appropriate.

By the National Credit Union Administration Board on March 28, 2020.

Gerard Poliquin,

Secretary of the Board.

The FAA is proposing this AD to address the unsafe condition on these products.

DATES: The FAA must receive comments on this proposed AD by May 29, 2020.
