

(i) No Reporting Requirement

The reporting requirement in paragraph III, Action Required, of Continental Aerospace Technologies MSB18–08B is not required by this AD.

(j) Definition

(1) For the purpose of this AD, “the next maintenance event” is the next scheduled 100-hour/annual inspection, overhaul, or the next time the airplane enters maintenance for a non-engine issue, whichever occurs first.

(2) For the purpose of this AD, “modify the cross-flow cylinder assembly” is the removal of the casting material build-up by blending the cross-flow cylinder assembly radius corner.

(k) Credit for Previous Actions

You may take credit for the visual inspection and modification that is required by paragraph (g) of this AD, if the inspection or modification was performed before the effective date of this AD using Continental Motors Aircraft Engine Service Bulletin 18–08, Revision A, dated January 11, 2019.

(l) Alternative Methods of Compliance (AMOCs)

(1) The Manager, Atlanta ACO Branch, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. In accordance with 14 CFR 39.19, send your request to your principal inspector or local Flight Standards District Office, as appropriate. If sending information directly to the manager of the certification office, send it to the attention of the person identified in paragraph (m)(1) of this AD.

(2) Before using any approved AMOC, notify your appropriate principal inspector, or lacking a principal inspector, the manager of the local flight standards district office/certificate holding district office.

Certain Swap Data Repository and Data Reporting Requirements

AGENCY: Commodity Futures Trading Commission.

ACTION: Reopening of comment period.

SUMMARY: On May 13, 2019, the Commodity Futures Trading Commission (Commission) published in the **Federal Register** a notice of proposed rulemaking (NPRM) titled Certain Swap Data Repository and Data Reporting Requirements. The comment period for the NPRM was originally scheduled to close on July 29, 2019. The Commission subsequently extended the comment period for 90 days to October 28, 2019. On October 24, 2019, the Commission extended the comment period for another 90 days to January 27, 2020. The Commission is now reopening the comment period for this NPRM for an additional 90 days to allow market participants to comment on this NPRM in conjunction with the two swap data-related NPRMs approved on February 20, 2020.

DATES: The comment period for the proposed rule titled, Certain Swap Data Repository and Data Reporting Requirements, published on May 13, 2019 (84 FR 21044), is reopened. Comments must be received on or before May 20, 2020.

ADDRESSES: You may submit comments, identified by “Certain Swap Data Repository and Data Reporting Requirements” and RIN number 3038–AE32, by any of the following methods:

- **CFTC Comments Portal:** <https://comments.cftc.gov>. Select the “Submit Comments” link for this rulemaking and follow the instructions on the Public Comment Form.

- **Mail:** Send to Christopher Kirkpatrick, Secretary of the Commission, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581.

- **Hand Delivery/Courier:** Follow the same instructions as for mail, above.

Please submit your comments using only one of these methods. To avoid possible delays with mail or in-person deliveries, submissions through the CFTC Comments Portal are encouraged.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://>

comments.cftc.gov. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act (FOIA), a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.¹

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://comments.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the rulemaking will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the FOIA.

FOR FURTHER INFORMATION CONTACT: Benjamin DeMaria, Special Counsel, 202–418–5988, bdemaria@cftc.gov or Meghan Tente, Acting Associate Director, 202–418–5785, mtente@cftc.gov; Division of Market Oversight, Data and Reporting Branch, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581.

SUPPLEMENTARY INFORMATION: On May 13, 2019, the Commission published in the **Federal Register** an NPRM proposing amendments to certain regulations applicable to swap data repositories (SDRs), reporting counterparties, and other market participants.² The proposed amendments would, among other things, update requirements for SDRs to verify swap data with reporting counterparties, update requirements to correct swap data errors and omissions, and update and clarify certain SDR operational and governance requirements.

The comment period for the NPRM was set to close on July 29, 2019. Market participants³ requested the opportunity to review additional planned rulemakings under the Commission’s Roadmap to Achieve High Quality

Swaps Data (“Roadmap”)⁴ that will relate to the NPRM prior to commenting on the NPRM. The Commission subsequently extended the comment period for the NPRM by 90 days to October 28, 2019,⁵ and again by 90 days to January 27, 2020.⁶

The Commission stated in the October 24, 2019 extension that it anticipated reopening the comment period for the NPRM to coincide with the comment periods for the additional planned Roadmap rulemakings in order to provide market participants with the opportunity to comment on all three Roadmap rulemakings at once.⁷ This reopening of the comment period provides the opportunity for market participants to comment on all three Roadmap rulemakings simultaneously or individually. Parties that previously submitted comments on the NPRM are invited to resubmit their comments to add any additional information they may wish to include.⁸ Parties may also submit new comments regarding any matter related to the NPRM, including matters that relate to the NPRM and one or more of the other Roadmap rulemakings. All comments must be received on or before May 20, 2020.

Issued in Washington, DC, on February 27, 2020, by the Commission.

Robert Sidman,

Deputy Secretary of the Commission.

Strengthening Transparency in Regulatory Science

AGENCY: Environmental Protection Agency (EPA).

ACTION: Supplemental notice of proposed rulemaking; extension of comment period.

SUMMARY: The Environmental Protection Agency (EPA) is extending the comment period for a notice issued in the **Federal Register** on March 18, 2020, supplemental notice of proposed rulemaking (SNPRM) titled “Strengthening Transparency in Regulatory Science.” This document is extending the comment period on this SNPRM from April 17, 2020, to May 18, 2020.

DATES: Comments must be received on or before May 18, 2020.

ADDRESSES: You may send comments, identified by Docket ID No. EPA–HQ–OA–2018–0259, by the following method:

- *Federal eRulemaking Portal:* <https://www.regulations.gov/> (our preferred method). Follow the online instructions for submitting comments.

Instructions: All submissions received must include the Docket ID No. for this rulemaking. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided.

Out of an abundance of caution for members of the public and our staff, the EPA Docket Center and Reading Room will be closed to public visitors beginning at the close of business on March 31, 2020 (4:30 p.m.) to reduce the risk of transmitting COVID–19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. We encourage the public to submit

comments via <https://www.regulations.gov> or email, as there will be a delay in process mail and no hand deliveries will be accepted. For further information on EPA Docket Center services, please visit us online at <https://www.epa.gov/dockets>.

SUPPLEMENTARY INFORMATION: On March 18, 2020, EPA published a supplemental notice of proposed rulemaking (SNPRM) titled “Strengthening Transparency in Regulatory Science” (85 FR 15396), which includes clarifications, modifications and additions to certain provisions in the Strengthening Transparency in Regulatory Science Proposed Rulemaking, published on April 30, 2018 (83 FR 18768). The SNPRM proposed that the scope of the rulemaking apply to influential scientific information as well as significant regulatory decisions. That notice proposed definitions and clarified that the proposed rulemaking would apply to data and models underlying both pivotal science and pivotal regulatory science. In the SNPRM, EPA also proposed a modified approach to the public availability provisions for data and models that would underly significant regulatory decisions and an alternate approach. Finally, EPA requested comment on whether to use its housekeeping authority independently or in conjunction with appropriate environmental statutory provisions as authority for the rulemaking.

This document extends the public comment period for the proposed rule to ensure that the public has sufficient time to review and comment on the proposal.

Dated: April 2, 2020.

Mary Ross,

Director, Office of Science Advisor, Policy and Engagement.
