

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7024-N-18]

30-Day Notice of Proposed Information Collection: Public Housing Capital Fund Program; OMB Control No.: 2577-0157

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: HUD is seeking approval from the Office of Management and Budget (OMB) for the information collection described below. In accordance with the Paperwork Reduction Act, HUD is requesting comment from all interested parties on the proposed collection of information. The purpose of this notice is to allow for 30 days of public comment.

DATES: *Comments Due Date:* May 27, 2020.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/StartPrintedPage 15501PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Colette Pollard, Reports Management Officer, QDAM, Department of Housing and Urban Development, 451 7th Street SW, Washington, DC 20410; email Colette.Pollard@

hud.gov or telephone 202-402-3400. Persons with hearing or speech impairments may access this number through TTY by calling the toll-free Federal Relay Service at (800) 877-8339. This is not a toll-free number. Copies of available documents submitted to OMB may be obtained from Ms. Pollard.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Public Housing Capital Fund Program.

OMB Approval Number: 2577-0157.

Type of Request: Revision of a currently approved collection and one new Notices of Funding Availability (NOFA) added after the 60-day comment period.

Form Numbers: HUD Form 50075.1, HUD-5084, HUD-5087, HUD-51000, HUD-51001, HUD-51002, HUD-51003, HUD-5104, HUD-51915, HUD-51915-A, HUD-51971-I-II, HUD-52396, HUD-52427, HUD-52482, HUD-52483-A, HUD-52484, HUD-52485, HUD-52651-A, HUD-52829, HUD-52830, HUD-52833, HUD-52845, HUD-52846, HUD-52847, HUD-52849, HUD-53001, HUD-53015, HUD-5370, HUD-5370EZ, HUD-5370C, HUD-5372, HUD-5378, HUD-5460, HUD-52828, 50071, 5370-C1, 5370-C2.

Description of the need for the information and proposed use: Each year Congress appropriates funds to approximately 3,015 Public Housing Authorities (PHAs) for modernization, development, financing, and

management improvements. The funds are allocated based on a complex formula. The forms in this collection are used to appropriately disburse and utilize the funds provided to PHAs. Additionally, these forms provide the information necessary to approve a financing transaction in addition to any Capital Fund Financing transactions. Respondents include the approximately 3,015 PHA receiving Capital Funds and any other PHAs wishing to pursue financing.

This proposed information collection has been revised to include the following changes below:

1. HUD has removed all of the hours for the annual submission of form HUD-50075.2 and reduced the hours for HUD-50075.1. HUD is now collecting that information electronically thru the Energy Performance Information Center (EPIC) system. These hours were transferred to OMB No. 2577-0274 Energy Performance Information Center (EPIC). HUD will continue to use the HUD-50075.1 for the Capital Fund set aside grant programs, Lead Based Paint, Emergency Safety and Security, and Emergency and Disaster. Only those hours remain in 2577-0157.1. As a result, the burden hours were decreased 9,260 hours

2. Due to conversion of Public Housing to the Section 8 thru the Rental Assistance Demonstration (RAD) Program, the number of PHAs receiving Capital Funds has been reduced from 3,100 to 3,015. This has reduced the number of hours by 3,774.

3. The total reduction in in burden hours are 13,034.

RESPONDENTS (i.e., AFFECTED PUBLIC): PUBLIC HOUSING AUTHORITIES

Information collection	Number of respondents	Frequency of response	Responses per annum	Burden hour per response	Annual burden hours	Hourly cost per response	Annual cost

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

(5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority

Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Dated: April 21, 2020.

Colette Pollard,

*Department Reports Management Officer,
Office of the Chief Information Officer.*

BILLING CODE P

DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

[RX.01444999.0020100 20XR0680A4]

Pumped-Storage Hydroelectric Power Development on Seminole Reservoir, Kendrick Project, Wyoming

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of intent to accept proposals, select lessee, and contract for pumped-storage hydroelectric power on Seminole Reservoir.

SUMMARY: Current Federal policy allows non-Federal development of a potential electrical power resource on Federal water resource projects. This Notice provides background information, proposal content guidelines, and information concerning the selection of a non-Federal entity to develop pumped-storage hydroelectric power utilizing Seminole Reservoir, a feature of the Kendrick Project, located in Wyoming. Interested entities are invited to submit proposals on this project. This Notice of Intent to accept proposals does not obligate Reclamation to select a lessee; the decision to select a lessee will ultimately be made based on the qualifications of submitted proposals.

DATES: A written proposal and seven copies must be submitted on or before 4 p.m. (Mountain Standard Time) on September 24, 2020. A proposal will be considered timely only if it is received in the office of the Area Manager on or before 4 p.m. on the above-designated date. Interested entities are cautioned that delayed delivery to the Area Manager's office due to failures or misunderstandings of the entity and/or of mail, overnight, or courier services will not excuse lateness and, accordingly, are advised to provide sufficient time for delivery. Late proposals will not be considered.

ADDRESSES: Written proposals and seven copies should be sent to Ms. Carlie Ronca, Area Manager, Bureau of Reclamation, Wyoming Area Office, P.O. Box 1630; Mills, Wyoming 82644; telephone (307) 261-5671. Information related to the Western Area Power Administration's purchasing and/or marketing the power may be obtained at Western Area Power Administration, Rocky Mountain Region, Attn: Dave Neumayer, Power Marketing Manager, 5555 East Crossroads Blvd., Loveland, Colorado 80538, telephone (970) 461-7322.

FOR FURTHER INFORMATION CONTACT: Questions regarding proposal requirements or technical data available for Seminole Reservoir may be directed to Mr. Brad Cannon, Bureau of Reclamation, Wyoming Area Office, P.O. Box 1630, Mills, Wyoming 82644; telephone (307) 261-5635. Upon receipt of your questions, Mr. Cannon will arrange an informational meeting and/or site visit with interested entities. Reclamation reserves the right to schedule a single meeting and/or visit to address the questions or requested site visits submitted by all entities. Specific information related to operation and maintenance of the Seminole Dam, Powerplant, and Reservoir may also be obtained from Mr. Brad Cannon at the above contact information.

SUPPLEMENTARY INFORMATION: Ensuring energy and economic security for America is a top priority of the Department of the Interior. This priority is achieved in part via new energy generation from hydropower. The Department, acting through Reclamation will consider proposals for non-Federal development of pumped-storage hydroelectric power utilizing Seminole Reservoir as the lower impoundment for a pumped-storage project. The Department will prioritize projects that appropriately balance increased energy
