SUPPLEMENTARY INFORMATION:

The General Conference Committee (the Committee) of the National Poultry Improvement Plan (NPIP) is the Secretary's Advisory Committee on poultry health. The Committee serves as a forum for the study of problems relating to poultry health and, as necessary, makes specific recommendations to the Secretary concerning ways the U.S. Department of Agriculture may assist the industry in addressing these problems. The Committee assists the Department in planning, organizing, and conducting the Biennial Conference of the NPIP. The Committee recommends whether new proposals should be considered by the delegates to the Biennial Conference and serves as a direct liaison between the NPIP and the United States Animal Health Association.

The Committee consists of an elected member-at-large who is an NPIP participant and an elected member (and alternate) from each of the six U.S. regions represented on the Committee. Terms will expire for three current regional members of the Committee in August 2020. We are soliciting nominations from interested organizations and individuals to replace the members and alternates from the South Atlantic (Delaware, District of Columbia, Florida, Georgia, Maryland, North Carolina, Puerto Rico, South Carolina, Virginia, and West Virginia), West North Central (Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, and South Dakota), and South Central (Alabama, Arkansas, Kentucky, Louisiana, Mississippi, Oklahoma, Tennessee, and Texas).

Member selection is determined by a majority vote of the NPIP delegates from the respective regions. There must be at least two nominees for each position. Persons interested in serving on the Committee or nominating another individual to serve must complete Form AD-755, which is available on the internet at <https://www.ocio.usda.gov/document/ad-755> or may be obtained by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**.

To ensure the recommendations of the Committee have taken into account the needs of the diverse groups served by the Department, membership should include, to the extent practicable, individuals with demonstrated ability to represent underrepresented groups (minorities, women, and persons with disabilities). At least one nominee from each of the three regions must have demonstrated the ability to represent an underrepresented group. The voting will be by secret ballot of official delegates
