**SUPPLEMENTARY INFORMATION:**

**Title:** Registration of Foreign Boards of Trade (OMB Control No. 3038-0101). This is a request for extension of a currently approved information collection.

**Abstract:** Section 738 of the Dodd-Frank Act amended section 4(b) of the Commodity Exchange Act to provide that the Commission may adopt rules and regulations requiring foreign boards of trade (FBOT) that wish to provide their members or other participants located in the United States with direct access to the FBOT's electronic trading and order matching system to register with the Commission. Pursuant to this authorization, the CFTC adopted a final rule requiring FBOTs that wish to permit trading by direct access to provide certain information to the Commission in applications for registration and, once registered, to provide certain information to meet quarterly and annual reporting requirements. Currently, Part 48 of the Commission's regulations sets forth reporting and/or recordkeeping requirements to ensure registered FBOTs providing for trading by direct access meet statutory and regulatory requirements on an initial and ongoing basis.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On February 14, 2020, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 85
