The Lifeline Fifth Report and Order restores the traditional state and federal roles in designating eligible telecommunications carriers (ETC) and eliminates the Lifeline Broadband Provider (LBP) category. The Order also codifies a requirement that enrollment representatives must register with USAC before interacting with USAC's systems. Finally, the 2019 Lifeline Order implements several process and procedural changes to further bolster program integrity efforts. These changes require minor modifications to the previously approved requirements. The changes made by the Lifeline Fifth Report and Order have a moderate impact on overall burden, increasing the burden hours for some requirements and decreasing the burden hours for other requirements.
