Needs and Uses:

The Individuals with Disabilities Education Act, (Sections 1400 *et seq.* of title 20, United States Code) and the Defense Dependents Education Act,

(Sections 921 *et seq.* of title 20, United States Code) require the Department of Defense to provide early intervention services to developmentally delayed infants and toddlers (birth through 2) and special education and medically related services to children with disabilities from 3 through 21 years of age who are eligible to attend a DoD school. In order to ensure the availability of necessary medical and educational services for family members, the Department must identify those who have special health or educational needs. Medical and educational needs are also considered when approving family travel to an overseas or remote location where DoD must provide the services.

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 (Pub. L. 94–191) requires specific language to advise the individuals that personally identifiable health information shall not be used or disclosed except for specifically permitted purposes, unless informed consent is provided by the individual. The Department is standardizing the information collection to ensure that appropriate information is collected and that it meets the data collection HIPAA requirements.

The National Defense Authorization Act (NDAA) for Fiscal Year 2010 (Pub. L. 111–84) requires procedures to identify members of the Uniformed Services who are members of military families with special needs, mechanisms to ensure their timely and accurate evaluations and enrollment.

Affected Public: Individuals or households, businesses or on for-profit.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Ms. Jasmeet Sehra.

BILLING CODE 5001–06–P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Proposals by Non-Federal Interests, for Feasibility Studies, Proposed Modifications to Authorized Water Resources Development Projects and Feasibility Studies, and Proposed Modifications for an Environmental Infrastructure Program for Inclusion in the Annual Report to Congress on Future Water Resources Development

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice.

SUMMARY: Section 7001 of Water Resources Reform and Development Act (WRRDA) 2014, as amended, requires that the Secretary of the Army annually submit to the Congress a report (Annual Report) that identifies feasibility reports, proposed feasibility studies submitted by non-Federal interests, proposed modifications to authorized water resources development projects or feasibility studies, and proposed modifications to environmental infrastructure program authorities that meet certain criteria. The Annual Report is to be based, in part, upon requests for proposals submitted by non-Federal interests.

DATES: Proposals must be submitted online by August 31, 2020.

ADDRESSES: Submit proposals online at: <https://www.usace.army.mil/Missions/Civil-Works/Project-Planning/WRRDA-7001-Proposals/>. If a different method of submission is required, use the further information below to arrange an alternative submission process.

FOR FURTHER INFORMATION CONTACT:

Send an email to the help desk at WRRDA7001Proposal@usace.army.mil or call Stuart McLean, Planning and Policy Division, Headquarters, USACE, Washington, DC at 202–761–4931.

SUPPLEMENTARY INFORMATION: Section 7001 of WRRDA 2014 (33 U.S.C. 2282d), as amended, requires the publication of a notice in the **Federal Register** annually to request proposals by non-

Federal interests for feasibility studies, modifications to authorized USACE water resources development projects or feasibility studies, and modifications to environmental infrastructure program authorities. Project feasibility reports that have signed Chief's Reports, but have not been authorized will be included in the Annual Report table by the Secretary of the Army and these proposals do not need to be submitted in response to this notice.

Proposals by non-Federal interests must be entered online and require the following information:

1. The name of the non-Federal interest, or all non-Federal interests in the case of a modification to an environmental infrastructure program authority, including any non-Federal interest that has contributed to or is expected to contribute toward the non-Federal share of the proposed feasibility study, project modification or environmental infrastructure program.

2. State if this proposal is for authorization of a feasibility study, a modification to an authorized USACE water resources development project, a modification to an authorized USACE water resources feasibility study, or a modification to a USACE environmental infrastructure program authority. If a modification of an existing authority, specify the authorized water resources development project, study, or environmental infrastructure program authority that is proposed for modification.

3. State the specific project purpose(s) of the proposed study or modification.

4. Provide an estimate, to the extent practicable, of the total cost, and the Federal and non-Federal share of those costs, of the proposed study and, separately, an estimate of the cost of construction or modification.

5. Describe, to the extent applicable and practicable, an estimate of the anticipated monetary and non-monetary benefits of the proposal with regard to benefits to the protection of human life and property; improvement to transportation; the national economy; the environment; or the national security interests of the United States.

6. Proposals for modifications to environmental infrastructure program authorities must also include a description of assistance provided to date and the total Federal cost of assistance provided to date.

7. State if the non-Federal interest has the financial ability to provide the required cost share, reference Engineer Regulation 1105–2–100, Planning Guidance Notebook.

8. Describe if local support exists for the proposal.
