Respondents for the information collection through DD Form 2606 and DD Form 2652 are patrons requesting child care and patrons enrolled in CDPs. The DoD CDP requires the information in the proposed collections for program planning, management purposes and the determination of child care fees.

The DD Form 2606 is used to collect information for the type of care needed and sponsor status which determines eligibility and priority for child development program services. It is also used to assist management in the planning of present and future program requirements. The information from the DD Form 2652 is used to determine total family income to determine child care fees for families enrolled in the DoD CDP.
