

HPSA application and SDMS MUA/P Application are used for these designation determinations. Applicants must submit a SDMS application to HRSA to obtain a federal shortage designation. The application asks for local, state, and national data required to determine the application's eligibility to obtain a federal shortage designation. In addition, applicants must enter in detailed information explaining how the area, population, or facility faces a critical shortage of health professionals.

Likely Respondents: State Primary Care Offices interested in obtaining a primary care, dental, or mental HPSA designation or a MUA/P in their state.
Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying

information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Designation Planning and Preparation	54	48	2,592	8.00	20,736
SDMS Application	54	83	4,482	4.00	17,928
Total	54	7,074	38,664

HRSA specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Maria G. Button,

Director, Executive Secretariat.

BILLING CODE 4150-31-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Indian Health Service

Redesignation of the Delivery Area for the Havasupai Tribe

AGENCY: Indian Health Service, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that the Indian Health Service has decided to expand the geographic boundaries of the Purchased/Referred Care (PRC) Delivery Area for the Havasupai Tribe in the State of Arizona to include Mohave County in the State of Arizona. The final PRC delivery area for the Havasupai Tribe is now the counties of Coconino and Mohave in the State of Arizona. The sole purpose of this expansion is to authorize Havasupai to cover additional Tribal members and beneficiaries under Havasupai's PRC.

DATES: This expansion is effective as of the publication date of this notice.

ADDRESSES: This notice can be found at <https://www.federalregister.gov>. Written requests for information should be delivered to: CDR John Rael, Director, Office of Resource Access and Partnerships, Indian Health Service, 5600 Fishers Lane, Mail Stop 10E85C, Rockville, MD 20857, (301) 443-0609 (This is not a toll-free number).

SUPPLEMENTARY INFORMATION:

Background: The IHS currently provides services under regulations in effect on September 15, 1987, and republished in the Code of Federal Regulations (CFR) at 42 CFR part 136, subparts A-C. Subpart C defines a Contract Health Service Delivery Area (CHSDA), now referred to as a Purchased/Referred Care delivery area (PRCDA), as the geographic area within which PRC will be made available by the IHS to members of an identified Indian community who reside in the area. Residence in a PRCDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR
