

requirements under the ESEA. Given the widespread, extended school closures, many States have been unable to administer their statewide assessments to all students in the spring of 2020. As statewide accountability systems rely on fair, reliable, and valid assessment results, States that do not administer their assessments will also not be able to annually meaningfully differentiate among public schools or identify schools for support and improvement, as required under section 1111(c)(4) and (d)(2)(C)–(D) of the ESEA or report results on State and local report cards related to student performance on the assessments or accountability determinations, as required under ESEA section 1111(h).

Waiver Applicants: SEAs from all 50 States, the District of Columbia, the Commonwealth of Puerto Rico, and BIE requested and received these waivers.
