SUPPLEMENTARY INFORMATION: This class exemption exempts from the prohibited transaction provisions of ERISA, the sale of individual or annuity contracts by a plan to participants, relatives of participants, employers, any of whose employees are covered by the plan, other employee benefit plans, owner-employees, or shareholder-employees, for the cash surrender value of the contracts, provided certain conditions set forth in the exemption are met. The Department has included in the class exemption a basic disclosure requirement. Pension plans are required to inform the insured participant of a proposed sale of a life insurance or annuity policy to the employer, a relative, another plan, an owner-employee, or a shareholder-employee. If the participant elects not to purchase the contract, the relative, the employer, another plan, the owner-employees, or the shareholder-employees may purchase the contract from the plan upon the receipt by the plan of written consent of the participant. The disclosure requirement of the class exemption does not apply if the contract is sold to the plan participant. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 10, 2019 (84 FR 54642).

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.
