BILLING CODE 3510-DR-P

DEPARTMENT OF COMMERCE**International Trade Administration****Renewable Energy and Energy Efficiency Advisory Committee**

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of an open meeting.

SUMMARY: The Renewable Energy and Energy Efficiency Advisory Committee (REEEAC or the Committee) will hold a virtual meeting via WebEx on Thursday June 4, 2020, hosted by the U.S. Department of Commerce. The meeting is open to the public with registration instructions provided below.

DATES: June 4, 2020, from approximately 9 a.m. to 3 p.m. Eastern Daylight Time EDT. Members of the public wishing to participate must register in advance with Cora Dickson at the contact information below by 5 p.m. EDT on

Thursday, June 4, 2020, in order to pre-register, including any requests to make comments during the meeting or for accommodations or auxiliary aids.

ADDRESSES: To register, please contact Cora Dickson, Designated Federal Officer, Office of Energy and Environmental Industries (OEEI), Industry and Analysis, International Trade Administration, U.S. Department of Commerce at (202) 482–6083; email: Cora.Dickson@trade.gov. Registered participants will be emailed the login information for the meeting, which will be conducted via WebEx.

FOR FURTHER INFORMATION CONTACT: Cora Dickson, Designated Federal Officer, Office of Energy and Environmental Industries (OEEI), Industry and Analysis, International Trade Administration, U.S. Department of Commerce at (202) 482–6083; email: Cora.Dickson@trade.gov.

SUPPLEMENTARY INFORMATION:

Background: The Secretary of Commerce established the REEEAC pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended (5 U.S.C. App.), on July 14, 2010. The REEEAC was re-chartered most recently on June 7, 2018. The REEEAC provides the Secretary of Commerce with advice from the private sector on the development and administration of programs and policies to expand the export competitiveness of U.S. renewable energy and energy efficiency products and services.

On June 4, 2020, the REEEAC will hold the seventh, and final in-person meeting of its current charter term. The Committee, with officials from the Department of Commerce and other agencies, will discuss major issues affecting the competitiveness of the U.S. renewable energy and energy efficiency industries, consider recommendations for approval, and brief senior U.S. government officials on the efforts completed during the current Committee's charter term. An agenda

will be made available by May 28, 2020 upon request to Cora Dickson.

The meeting will be open to the public and will be accessible to people with disabilities. All guests are required to register in advance by the deadline identified under the **DATE** caption. Requests for auxiliary aids must be submitted by the registration deadline. Last minute requests will be accepted but may not be possible to fill.

A limited amount of time before the close of the meeting will be available for oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to two to five minutes per person (depending on number of public participants). Individuals wishing to reserve speaking time during the meeting must contact Cora Dickson using the contact information above and submit a brief statement of the general nature of the comments, as well as the name and address of the proposed participant, by 5 p.m. EDT on Thursday, May 28, 2020. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers. Speakers are requested to submit a copy of their oral comments by email to Cora Dickson for distribution to the participants in advance of the meeting.

Any member of the public may submit written comments concerning the REEEAC's affairs at any time before or after the meeting. Comments may be submitted via email to the Renewable Energy and Energy Efficiency Advisory Committee, c/o: Cora Dickson, Designated Federal Officer, Office of Energy and Environmental Industries, U.S. Department of Commerce; Cora.Dickson@trade.gov. To be considered during the meeting, public comments must be transmitted to the REEEAC prior to the meeting. As such,

written comments must be received no later than 5 p.m. EDT on Thursday, May 28, 2020. Comments received after that date will be distributed to the members but may not be considered at the meeting.

Copies of REEEAC meeting minutes will be available within 30 days following the meeting.

Man Cho,

Deputy Director, Office of Energy and Environmental Industries.

Common Alloy Aluminum Sheet From Bahrain, Brazil, India, and the Republic of Turkey: Postponement of Preliminary Determinations in the Countervailing Duty Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable May 19, 2020.

FOR FURTHER INFORMATION CONTACT: Thomas Schauer at (202) 482-0410 (Bahrain), Jonathan Hall-Eastman at (202) 482-1468 (Brazil), Benito Ballesteros at (202) 482-7425 (India), or Gene Calvert at (202) 482-3586 (Republic of Turkey (Turkey)), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On March 30, 2020, the Department of Commerce (Commerce) initiated countervailing duty (CVD) investigations of imports of common alloy aluminum sheet from Bahrain, Brazil, India, and Turkey.¹ Currently, the preliminary determinations are due no later than June 3, 2020.

Postponement of Preliminary Determinations

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires

¹ See *Common Alloy Aluminum Sheet from Bahrain, Brazil, India, and the Republic of Turkey: Initiation of Countervailing Duty Investigations*, 85 FR 19449 (April 7, 2020).

Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.²

On May 6, 2020, the petitioner in these investigations³ submitted a timely request that Commerce postpone the preliminary CVD determinations.⁴ According to the petitioner, additional time is necessary to allow Commerce to “analyze fully the questionnaire responses, request any necessary clarifications, and determine the extent to which countervailable subsidies have benefited the respondents in the preliminary phase of these proceedings.”⁵ Consistent with 19 CFR 351.205(e), the petitioner stated the reasons for its request, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determinations to no later than 130 days after the date on which these investigations were initiated, *i.e.*, August 7, 2020. Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary

² See 19 CFR 351.205(e).

³ The petitioner is the Aluminum Association Common Alloy Aluminum Sheet Working Group.

⁴ See Petitioner’s Letter, “Countervailing Duty Investigations Concerning Common Alloy Aluminum Sheet From Bahrain, Brazil, India, and the Republic of Turkey—Petitioners’ Request to Postpone Preliminary Determinations,” dated May 6, 2019.

⁵ *Id.* at 2.

determinations, unless postponed at a later date.

Notification to Interested Parties

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 13, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
