### Submission for OMB Review; Comment Request

May 18, 2020.

The Department of Agriculture will submit the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13 on or after the date of publication of this notice. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding these information collections are best assured of having their full effect if received by June 22, 2020. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such

persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

### National Agricultural Statistics Service

*Title:* Current Agricultural Industrial Reports (CAIR).

*OMB Control Number:* 0535–0254.

*Summary of Collection:* The Current Agricultural Industrial Reports (CAIR) surveys have become an integral part of the Census of Agriculture and numerous other surveys conducted by NASS. Under the authority of the Census of Agriculture Act of 1997 (Pub. L. 105–113) and defined under Title 7, Sec. 2204(g), these surveys will be mandatory. The data from the CAIR surveys will supply data users with important information on the utilization of many of the crops, livestock, and poultry produced in the U.S.

*Need and Use of the Information:* Data from these surveys is essential to measuring the consumption of agricultural products in the production of numerous consumer goods. Agricultural products such as grain, oilseeds, fibers, and animal co-products is used in the creation of cooking oils, flour, lubricants, fuel, fabrics, soap, paint, methyl esters, resins, and numerous other products. The data are needed to provide a more complete picture of the importance of agriculture to the American population. Data from these instruments is published and publications are available to everyone at the same time on the NASS website.

### Forest Service

### Helena-Lewis and Clark National Forest; Montana; Revision of the Land Management Plan for the Helena-Lewis and Clark National Forest

**AGENCY:** Forest Service, USDA.

**ACTION:** Notice of opportunity to object to the revised land management plan for the Helena-Lewis and Clark National Forest.

**SUMMARY:** The Forest Service is revising the Helena-Lewis and Clark National Forest's 1986 Land and Resource Management Plans. The Forest Service has prepared a final environmental impact statement (final EIS) for the revised land management plan, and a draft record of decision (ROD). This notice is to inform the public that a 60-day period is being initiated where individuals or entities with specific concerns about the Helena-Lewis and Clark National Forest's revised land management plan and associated final EIS may file objections for Forest Service review prior to approval of the revised land management plan. This is also an opportunity to object to the Regional Forester's list of species of conservation concern (SCC) for the Helena-Lewis and Clark National Forest.

**DATES:** The publication date of the legal notice in the Helena-Lewis and Clark National Forest's newspaper of record, the Helena Independent Record, initiates the 60-day objection period and is the exclusive means for calculating the time to file an objection (36 CFR 219.52(c)(5)). An electronic scan of the legal notice with the publication date will be posted at [www.fs.usda.gov/goto/hlc/forestplanrevision](http://www.fs.usda.gov/goto/hlc/forestplanrevision).

**ADDRESSES:** The Helena-Lewis and Clark National Forest's revised land management plan, final EIS, draft ROD, and other supporting information will be available for review at: [www.fs.usda.gov/goto/hlc/forestplanrevision](http://www.fs.usda.gov/goto/hlc/forestplanrevision). The Helena-Lewis and Clark National Forest's list of species of conservation concern and other supporting information will be available for review at: <http://bit.ly/NorthernRegion-SCC>. These web addresses include an objection template as an aid to providing the required information. Please be explicit as to whether the objection is for the land management plan or the species of conservation concern.

Electronic objections must be submitted to the Objection Reviewing Officer via the CARA objection webform at <https://cara.ecosystem-management.org/Public/CommentInput?project=44589>. Electronic submissions must be
