## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

[Docket ID: FEMA-2020-0013; OMB No. 1660-0061]

#### Agency Information Collection Activities: Submission for OMB Review; Comment Request; Federal Assistance to Individuals and Households Program

**AGENCY:** Federal Emergency Management Agency, DHS.

**ACTION:** 30-Day notice and request for comments.

**SUMMARY:** The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission will describe the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and the actual data collection instruments FEMA will use.

**DATES:** Comments must be submitted on or before June 22, 2020.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address [FEMA-Information-Collections-Management@fema.dhs.gov](mailto:FEMA-Information-Collections-Management@fema.dhs.gov) or Brian Thompson, Supervisory Program Specialist, FEMA Recovery Directorate, 540-686-3602.

**SUPPLEMENTARY INFORMATION:** This proposed information collection previously published in the **Federal Register** on March 11, 2020 at 85 FR 14212 with a 60-day public comment period. FEMA received three comments from the public.

*Comment 1:* The commenter suggested that FEMA could minimize the burden for veterans with disabilities by having their patient advocates or service organizations asking if they have any unmet needs. Additionally, the commenter suggested that when a disability hinders someone’s ability to understand things and when those serious needs have continued to not be met can deteriorate a service member’s mental health dramatically. Finally the commenter stated that when service members need to apply to many different organizations and ask for help only to be advised to contact someone else without help can be very discouraging. Rather, a simple phone call from someone that has access to important information and the ability to help that person can really help. FEMA has initiated interrelated projects to increase the communication of the needs of registrants with disabilities across our programs and better support the needs of survivors with disabilities. Recognizing the need for more effective and actionable disability-related questions in the Registration Intake form (covered in OMB collection 1660-0002, Disaster Assistance Registration), FEMA is in the process of submitting a revision to OMB collection 1660-0002 to add a specific reasonable accommodation question, and an additional question capturing disability-related losses. The reasonable accommodation question will ask registrants to indicate if they have a disability-related need to access FEMA’s programs and services. FEMA’s
