SUPPLEMENTARY INFORMATION: The Chief Evaluation Office of the U.S. Department of Labor (DOL) has commissioned an evaluation of the America’s Promise Job-Driven Grant program (America’s Promise). The America’s Promise evaluation offers a unique opportunity to build knowledge about the implementation and effectiveness of these regional partnerships. Additionally, as the grants are in a mature state of operation, this evaluation is in a unique position to be able to learn about how grantees’ established programs, employer partnerships, and service delivery approaches might be changing as a result of the COVID–19 pandemic. A request to collect information for data collection activities associated with the implementation evaluation, as required by the Paperwork Reduction Act (PRA) was approved by the Office of Management and Budget (OMB) (OMB Control Number 1290–0020) on February 2, 2019. This package requests clearance for five additional data collection activities as part of the implementation evaluation:

1. Program stakeholder interview protocol (in-person).
2. Employer interview protocol.
3. Participant focus group protocol.
4. Participant focus group information form.
5. Program stakeholder interview protocol (telephone). For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 1, 2018 (83 FR 54943).

This information collection is subject to the PRA. A Federal agency generally

cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
