

provide a report containing its advice as to the probable economic effect of providing duty-free treatment for imports of currently dutiable products from Kenya on (i) industries in the United States producing like or directly competitive products, and (ii) consumers. The USTR asked that the Commission's analysis consider each article in chapters 1 through 97 of the *Harmonized Tariff Schedule of the United States* (HTS) for which U.S. tariffs will remain, taking into account implementation of U.S. commitments in the World Trade Organization. The USTR asked that the advice be based on the HTS in effect during 2020 and trade data for 2019.

In addition, the USTR requested that the Commission prepare an assessment, as described in section 105(a)(2)(B)(i)(III) of the Bipartisan Congressional Trade Priorities and Accountability Act of 2015, of the probable economic effects of eliminating tariffs on imports from Kenya of those agricultural products described in the list attached to the USTR's request letter on (i) industries in the United States producing the products concerned, and (ii) the U.S. economy as a whole. The USTR's request letter and list of agricultural products are posted on the Commission's website at <http://www.usitc.gov>.

The Commission will provide its report to the USTR by September 16, 2020, or as soon as possible. The USTR indicated that those sections of the Commission's report that relate to the advice and assessment of probable economic effects will be classified. The USTR also indicated that he considers the Commission's report to be an interagency memorandum that will contain pre-decisional advice and be subject to the deliberative process privilege.

BILLING CODE 4410-09-P

DEPARTMENT OF JUSTICE

[CPCLO Order No. 004-2020]

Privacy Act of 1974; Systems of Records

AGENCY: Executive Office for Immigration Review, United States Department of Justice.

ACTION: Notice of a modified system of records.

SUMMARY: Pursuant to the Privacy Act of 1974, and Office of Management and Budget (OMB) Circular No. A-108, notice is hereby given that the Executive Office for Immigration Review (hereinafter EOIR), a component within the United States Department of Justice (DOJ) or (Department), proposes to update and reissue a current DOJ System of Records, entitled EOIR-003 Practitioner Complaint-Disciplinary Files. EOIR-003 will be renamed, "Attorney Discipline System." The component proposes this update and

reissuance to notify the public of the expanded functionality of this system, which now includes records of the adjudications of Attorney Discipline proceedings. This system will also adopt new and modified routine uses to better reflect the operational use of the system.

DATES: In accordance with 5 U.S.C. 552a(e)(4) and (11), this notice is effective upon publication, subject to a 30-day period in which to comment on the routine uses, described below. Please submit any comments by June 29, 2020.

ADDRESSES: The public, OMB, and Congress are invited to submit any comments to the United States Department of Justice, Office of Privacy and Civil Liberties, ATTN: Privacy Analyst, 145 N Street NE, Suite 8W.300, Washington, DC 20530, or by facsimile at 202-307-0693 or by email at privacy.compliance@usdoj.gov. To ensure proper handling, please reference the above CPCLO Order No. on your correspondence.

FOR FURTHER INFORMATION CONTACT: Michelle Curry, EOIR Senior Component Official for Privacy, EOIR Office of the General Counsel, 5107 Leesburg Pike Suite 2600, Falls Church, VA 22041, or by phone at 703-305-0990, or by email at michelle.curry@usdoj.gov.

SUPPLEMENTARY INFORMATION: To protect the public, preserve the integrity of immigration proceedings and adjudications, and maintain high professional standards among immigration practitioners, EOIR implemented the regulation, "Professional Conduct for Practitioners—Rules and Procedures," 65 FR 39513 (June 27, 2000). EOIR modified the rule in 2008 to increase the number of grounds for discipline, improve the clarity and uniformity of the rules, and incorporate miscellaneous technical and procedural changes. See "Professional Conduct for Practitioners—Rules and Procedures, and Representation and Appearances," 73 FR 76914 (Dec. 18, 2008). Effective January 18, 2017, the rules were again amended to extend discipline to recognized organizations and to make minor modifications to the reinstatement process. See "Recognition of Organizations and Accreditation of Non-Attorney Representatives," 81 FR 92346 (Dec. 19, 2016). The term "practitioners" applies to attorneys and representatives who are authorized to represent aliens (but not attorneys representing the government) before EOIR's immigration court and the Board of Immigration Appeals (BIA or Board),

EOIR's appellate component. The 2017 rule amendments have resulted in revisions to the Attorney Discipline System.

The EOIR Attorney Discipline Program resides in the Office of the General Counsel (OGC). Proceedings created as a result of the Attorney Discipline Program may include paper and electronic files created by the Disciplinary Counsel, who is the program lead, attorneys supporting the program, or program staff, and paper and electronic adjudication files of the BIA, the Office of Chief Immigration Judge (OCIJ), and/or the Office of the Chief Administrative Hearing Officer (OCAHO). The new Attorney Discipline System expands the prior system by developing an electronic database that contains information to track complaints from receipt through final disposition. The system is segregated by need to know user controls and allows authorized users to track various stages of the proceedings. The system also contains templates to generate letters, notices, and decisions used in the attorney discipline process. The system can generate reports by case status and disposition.

EOIR has applied routine uses to this system. Having these routine uses permits EOIR the necessary flexibility to disclose information in ways that are compatible with the purposes for which the information was collected. Specifically, EOIR has modified the language in the routine uses in paragraphs: 1-7; 9; 11 and 12 to conform their language to the current DOJ practice to describe the adopted uses. These modifications do not materially affect pre-existing routine uses as they are merely stylistic changes. EOIR has added a new routine use 10 to inform the public that the system and Attorney Discipline Program may be supported by contractors, grantees, experts, consultants, or students who will access the system on a need to know basis when necessary to accomplish an agency function related to this system of records. EOIR has also added new routine use 13, to address information release(s) in the event of a suspected or confirmed breach of the system, consistent with OMB guidance to federal agencies (OMB Memorandum 17-12, Preparing for and Responding to a Breach of Personally Identifiable Information (PII)). Finally, EOIR has added routine use 14 to allow release to third-party entities or individuals to the extent deemed necessary to elicit information from them or their cooperation to carry out authorized activities of EOIR.
