Common Performance Metrics; Request for Information on Performance Metrics for ISOs, RTOs, and Regions Outside ISOs and RTOs

On April 21, 2020, the Office of Management and Budget (OMB) approved the Federal Energy Regulatory Commission (Commission or FERC) staff's request for reinstatement and revision of the FERC-922 (Performance Metrics for ISOs, RTOs, and Regions Outside ISOs and RTOs, OMB Control No. 1902-0262) information collection, as discussed in Docket No. AD19-16-000. Consistent with the OMB-approved information collection, ISOs, RTOs, and utilities in regions outside ISOs and RTOs are encouraged to submit responsive information by October 30, 2020.¹

Respondents should submit their responses in Docket No. AD19-16-000 via the Commission's electronic filing (eFiling) system.² Submissions should

¹ In the OMB request for reinstatement and revision of the FERC-922 information collection, Commission staff indicated that respondents would be given 90 days to submit responses to the information collection. However, given the emergency conditions caused by the Novel Coronavirus Disease (COVID-19), there is good cause to extend the deadline for submitting responses to this information collection an additional 60 days.

² More information on the Commission's eFiling system is posted at: <https://www.ferc.gov/docs>

be made using the OMB-approved Information Collection Input Spreadsheet (Excel workbook) and the associated Common Metrics Information Collection User Guide.³

Lower Valley Energy, Inc.; Notice of Application

Take notice that on May 22, 2020, Lower Valley Energy, Inc. (LVE), 236 North Washington, P.O. Box 188, Afton, Wyoming 83110 filed in Docket No. CP20-461-000, an application pursuant to section 7(f) of the Natural Gas Act and Part 157 of the Commission's regulations requesting that the Commission grant it a determination of service area within which LVE may, without further Commission authorization, own and operate an approximately 49-mile pipeline from Montpelier, Idaho to Afton Wyoming to displace semi-trailer deliveries of LNG to its Afton LNG storage and distribution facilities and for possible natural gas delivery to seven properties within its existing electric service territory in Caribou County Idaho. LVE also requests a finding that it qualifies for treatment as an LDC for purposes of Section 311 of the Natural Gas Policy Act and a waiver of various Commission requirements as appropriate and consistent with the requested determination.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 3 copies of filings made with the
