#### Abstract of Proposed Collection

Form DS-10, Birth Affidavit, is submitted in conjunction with an application for a U.S. passport, and is used by Passport Services to collect information for the purpose of establishing the U.S. nationality of a passport applicant who has not submitted an acceptable United States birth certificate with his/her passport application. The Secretary of State is authorized to issue U.S. passports under 22 U.S.C. 211a *et seq.*, 8 U.S.C. 1104, and Executive Order 11295 (August 5, 1966). Pursuant to 22 U.S.C. 212 and 22 CFR 51.2, only U.S. nationals may be issued a U.S. passport. Most passport applicants establish U.S. nationality by providing a birth certificate that lists a place of birth within the United States or its outlying possessions (currently American Samoa and Swains Island).

Some applicants, however, may have been born in the United States (and subject to its jurisdiction), but were never issued a birth certificate. Form DS-10 is a form affidavit for completion by a witness to the birth of such an applicant; it collects information relevant to establishing the identity of the affiant, and the birth circumstances of the passport applicant. If credible, the affidavit may permit the applicant to show U.S. nationality based on the applicant's birth in the United States, despite never having been issued a U.S. birth certificate. We use the information collected on the person completing the affidavit to confirm that individual's identity, which is relevant to confirming his or her relationship to the applicant and in assessing the likelihood that the affiant has personal knowledge of the facts of the applicant's birth.

#### Methodology

When needed by an applicant for a passport, a Birth Affidavit is either provided by the Department or downloaded from the Department's website and filled out by the affiant. It must be signed in the presence of a passport agent, acceptance agent, or notary public.

Director.

### Iowa Northern Railway Company—Acquisition Exemption—D&W Railroad, LLC

Iowa Northern Railway Company (Iowa Northern), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from D&W Railroad, LLC (D&W) approximately 23.40 miles of rail line, as follows: (i) The rail line from milepost 332.0 at Dewar, Iowa, to milepost 354.5 (end of line), including the most easterly rail line and right of way, known as the Main Line, which is located adjacent to the Oelwein Yard in Oelwein, Iowa, (ii) the rail line from milepost 245.58 to milepost 245.0 at Oelwein, and (iii) the rail line that comprises 0.32 miles of wye track at Oelwein that connects the so-called "East Leg" track to the Main Line track (collectively, the Line).

Under the parties' Asset Purchase Agreement, ownership of the Line will transfer to Iowa Northern, who will continue to operate and provide all rail common carrier service to shippers on the Line after the exemption becomes effective.

Iowa Northern certifies that its projected annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier and will not exceed \$5 million annually. Iowa Northern further certifies that the acquisition does not involve an interchange commitment.

The transaction may be consummated on or after June 17, 2020, the effective date of the exemption (30 days after the verified notice was filed).<sup>1</sup>

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time.
