

thereby helping to promote stability in the financial markets and regulatory certainty for members.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that extending the implementation of FINRA Rule 4240 for a limited period, to September 1, 2021, will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission's finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁴ and Rule 19b-4(f)(6) thereunder.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

¹⁴ 15 U.S.C. 78s(b)(3)(A).

¹⁵ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. FINRA has satisfied this requirement.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to File Number SR-FINRA-2020-016. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of FINRA. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. DEPARTMENT OF THE TREASURY

Privacy Act of 1974; System of Records

AGENCY: Department of the Treasury.

ACTION: Notice of modified systems of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of the Treasury ("Treasury" or the "Department"), proposes to modify the Treasury system of records notices for the Treasury systems of records listed below by adding two new routine uses to 166 systems.

DATES: Submit comments on or before July 16, 2020. The new routine uses will be applicable on July 16, 2020 unless Treasury receives comments and determines that changes to the system of records notice are necessary.

ADDRESSES: Comments may be submitted to the Federal eRulemaking Portal electronically at <http://www.regulations.gov>. Comments can also be sent to the Deputy Assistant Secretary for Privacy, Transparency, and Records, Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220, Attention: Revisions to Privacy Act Systems of Records. All comments received, including attachments and other supporting documents, are part of the public record and subject to public disclosure. All comments received will be posted without change to www.regulations.gov, including any personal information provided. You should submit only information that you wish to make publicly available.

FOR FURTHER INFORMATION CONTACT: For general questions and for privacy issues please contact: Ryan Law, Deputy Assistant Secretary for Privacy, Transparency, and Records (202-622-5710), Department of the Treasury, 1500 Pennsylvania Avenue NW, Washington, DC 20220.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Department of the Treasury ("Treasury") proposes to modify the Treasury system of records, as identified below, to include two new

¹⁶ 17 CFR 200.30-3(a)(12).

routine uses permitting disclosure to appropriate persons and entities for purposes of response and remedial efforts in the event of a breach of data contained in the applicable system of records.

On May 22, 2007, the Office of Management and Budget (OMB) issued Memorandum M–07–16 “Safeguarding Against and Responding to the Breach of Personally Identifiable Information.” It required agencies to publish a routine use for their systems of records in regards to the disclosure of information in connection with response and remedial efforts in the event of a breach of personally identifiable information. Treasury published a notice in the **Federal Register** on October 3, 2007 (72 FR 56434), modifying the Treasury systems of records by adding the applicable routine use. New Treasury systems of records published after that

date have included a breach response routine use.

On January 3, 2017, OMB issued Memorandum M–17–12, “Preparing for and Responding to a Breach of Personally Identifiable Information.” OMB Memorandum M–17–12 rescinded and replaced OMB Memorandum M–07–16 and updated the breach response routine use. OMB M–17–12 requires two new breach response routine uses, one to respond to a breach of the agencies personally identifiable information and another to ensure agencies are able to disclose records in their systems of records that may be needed by another agency in response to a breach.

This notice modifies the breach response routine use published at 72 FR 56434 in accordance with OMB M–17–12 breach response routine use; as identified in the chart below for systems of records published at 72 FR 56434; and adds a new routine use to the

Treasury systems of records as identified below to ensure that Treasury can assist other agencies in responding to a confirmed or suspected breach, as appropriate.

Treasury has provided a report of this system of records to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and OMB, pursuant to 5 U.S.C. 552a(r) and OMB Circular A–108, “Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act,” dated December 23, 2016.

Ryan Law,

Deputy Assistant Secretary for Privacy, Transparency, and Records.
