Cancellation Order for Certain Pesticide Registrations and Amendments To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA’s order for the cancellations and amendments to terminate uses, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1, Table 1A, Table 1B and Table 2 of Unit II, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows an April 17, 2020 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 3 of Unit II to voluntarily cancel and amend to terminate uses of these product registrations. In the April 17, 2020 notice, EPA indicated that it would issue an order implementing the cancellations and amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency received 5 public comments on the notice, but they did not merit its further review of the requests. Further, the registrants did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations and amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations and amendments are effective June 17, 2020.

III. Summary of Public Comments Received and Agency Response to Comments

During the public comment period provided, EPA received five public comments; four of them are anonymous, in response to the April 17, 2020 **Federal Register** notice announcing the Agency's receipt of the requests for voluntary cancellations and amendments to terminate uses of products listed in Tables 1, 1A, 1B and 2 of Unit II. The Agency does not believe that the comments submitted during the comment period merit further review or a denial of the requests for voluntary cancellation and use termination.

IV. Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations and amendments to terminate uses of the registrations identified in Tables 1, 1A, 1B, and 2 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Tables 1, 1A, 1B, and 2 of Unit II are canceled and amended to terminate the affected uses. The effective date of the cancellations and amendments listed in Table 1 and Table 2 that are subject of this notice is June 17, 2020. The effective date of the cancellation listed in Table 1A that is subject of this notice is December 31, 2020. The effective date of the cancellations listed in Table 1B that are subject of this notice is December 31, 2019. Any distribution, sale, or use of existing stocks of the products identified in Tables 1, 1A, 1B, and 2 of Unit II in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI will be a violation of FIFRA.

V. What is the Agency's authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** of Apr 17, 2020 (85 FR 21428) (FRL-10007-07). The comment period closed on May 18, 2020.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the action. The existing stocks provision for the products subject to this order is as follows.

A. For Product 10324-66

For product 10324-66, listed in Table 1 of Unit II, the registrant has requested 18-months to sell existing stocks. The registrant will be permitted to sell and distribute existing stocks of the product for 18-months after the effective date of the cancellation, which will be the date of publication of the cancellation order in the **Federal Register**. Thereafter, the registrant will be prohibited from selling or distributing the product, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

B. For Product 432-893

For product 432-893, listed in Table 1A of Unit II, the registrant has requested the cancellation date to be December 31, 2020; therefore, the registrant will be permitted to sell and distribute existing stocks of the voluntarily canceled product for 1 year after the effective date of the cancellation, which will be until December 31, 2021. Thereafter, the registrant will be prohibited from selling or distributing the product, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

C. For Products CA-040026, CA-080009, CA-080010, CA-080011 & CA-080012

For products CA-040026, CA-080009, CA-080010, CA-080011 & CA-080012, listed in Table 1B of Unit II, the registrant has requested the cancellation date to be December 31, 2019; therefore, the registrant will be permitted to sell and distribute existing stocks of voluntarily canceled products for 1 year after the effective date of the cancellation, which will be until December 31, 2020. Thereafter, the registrant will be prohibited from selling or distributing these products, except for export consistent with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

For all other voluntary cancellations, identified in Table 1 of Unit II, the registrants may continue to sell and distribute existing stocks of the products listed in Table 1 until June 17, 2021, which is 1 year after publication of this cancellation order in the **Federal Register**. Thereafter, the registrants are

prohibited from selling or distributing the products listed in Table 1 of Unit II, except for export in accordance with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

Now that EPA has approved product labels reflecting the requested amendments to terminate uses, registrants are permitted to sell or distribute products listed in Table 2 of Unit II under the previously approved labeling until December 17, 2021, a period of 18 months after publication of the cancellation order in this **Federal Register**, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or distributing the products whose labels include the terminated use identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant may sell, distribute, or use existing stocks of canceled products and products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and terminated uses.
