

IV. Method To Ensure an Equivalent or Greater Level of Safety

To ensure an equivalent level of safety, the applicants refer to the short distances involved in driving from the distribution point to the site of a fireworks display, no more than 150 miles. Drivers drive to the site of the display in the early morning during light traffic. In addition, drivers have several hours off duty in the late afternoon and early evening on the day of the event. Lastly, the applicants state that they have not been involved in any reportable accidents while operating under terms and conditions of the same exemption granted to the previous owner of the companies.

V. Public Comments

On October 23, 2019, FMCSA published notice of this application and asked for public comment (84 FR 56887). The Agency did not receive any comments.

VI. FMCSA Decision

FMCSA has determined that granting an exemption to Illumination Fireworks Partners, LP, and ACE Pyro, LLC, will likely achieve a level of safety equivalent to or greater than the level that compliance with the 14-hour rule would achieve. FMCSA ensured that these motor carriers possess active USDOT registrations, have minimum required levels of insurance, and were not subject to any “imminent hazard” or other Out-of-Service (OOS) orders. The Agency conducted a comprehensive review of the motor carriers’ safety performance, which included a review of the Motor Carrier Management Information System safety records, and inspection and accident reports submitted to FMCSA by state agencies.

The applicants have “satisfactory” safety ratings and valid Hazardous Materials Safety Permits.

VII. Terms and Conditions of the Exemption

Period of the Exemption

The exemption from 49 CFR 395.3(a)(2) is effective from June 28 through July 8, at 11:59 p.m. local time, each year from 2020 through 2024 for the drivers employed by the applicants in this notice.

Terms and Conditions of the Exemption

Drivers covered by this exemption may exclude off-duty and sleeper-berth time of any length from the calculation of the 14-hour limit. This exemption is limited to drivers employed by the applicants. The conditions of this exemption are as follows:

- Drivers must not drive more than 11 hours in the 14-hour period after coming on duty; and

- Drivers must have 10 consecutive hours off duty following 14 hours on duty prior to beginning a new driving period.

The carrier and drivers must comply with all other requirements of the Federal Motor Carrier Safety Regulations (49 CFR parts 350–399) and Hazardous Materials Regulations (49 CFR parts 105–180).

Preemption

In accordance with 49 U.S.C. 31315(d), as implemented by 49 CFR 381.600, during the period this exemption is in effect, no state shall enforce any law or regulation applicable to interstate commerce that conflicts with or is inconsistent with this exemption with respect to a firm or person operating under the exemption. States may adopt the same exemption with respect to operations in intrastate commerce.

FMCSA Notification

The applicants must notify FMCSA within five business days of any accident (as defined by 49 CFR 390.5) involving the operation of any of their CMVs while under this exemption. The notification must be emailed to MCPSD@DOT.GOV and include the following information:

- a. Name of the Exemption: “Illumination Fireworks Partners or Ace Pyro”;
- b. Date of the accident;
- c. City or town and state in which the accident occurred, or which is closest to the scene of the accident;
- d. Driver’s name and driver’s license state, number, and class;
- e. Co-driver’s name and driver’s license state, number, and class;
- f. Vehicle company number and power unit license plate state and number;
- g. Number of individuals suffering physical injury;
- h. Number of fatalities;
- i. The police-reported cause of the accident;
- j. Whether the driver was cited for violation of any traffic laws, or motor carrier safety regulations; and
- k. The total driving time and the total on-duty time of the CMV driver at the time of the accident.

In addition, if there are any injuries or fatalities, the carrier must forward the police accident report to MCPSD@DOT.GOV as soon as available.

Termination

The FMCSA does not believe the drivers covered by this exemption will

experience any deterioration of their safety record. However, should this occur, FMCSA will take all steps necessary to protect the public interest, including revoking the exemption. The FMCSA will revoke the exemption immediately for failure to comply with its terms and conditions.

James A. Mullen,

Deputy Administrator.
