SUPPLEMENTARY INFORMATION:

Purpose: The Secretary, the Assistant Secretary for Health, and by delegation the Director, Centers for Disease Control and Prevention, are authorized under Sections 301 and 308 of the Public Health Service Act to conduct directly or by grants or contracts, research, experiments, and demonstrations relating to occupational safety and health and to mine health. The Board of Scientific Counselors provides guidance to the Director, National Institute for Occupational Safety and Health on research and prevention programs. Specifically, the Board provides guidance on the Institute's research activities related to developing and evaluating hypotheses, systematically documenting findings and disseminating results. The Board evaluates the degree to which the activities of the National Institute for Occupational Safety and Health: (1) Conform to appropriate scientific standards, (2) address current, relevant needs, and (3) produce intended results.

Meeting Information: Adobe Connect webcast will be available at <https://odniosh.adobeconnect.com/nioshbbsc/>, and teleconference is available toll-free at (855) 644–0229, Participant Pass Code

9777483. This meeting is open to the public, limited only by the number of Adobe license seats available, which is 100.

Public Participation

Comments received are part of the public record and are subject to public disclosure. Do not include any information in your comment or supporting materials that you consider confidential or inappropriate for public disclosure. If you include your name, contact information, or other information that identifies you in the body of your comments, that information will be on public display. CDC will review all submissions and may choose to redact, or withhold, submissions containing private or proprietary information such as Social Security numbers, medical information, inappropriate language, or duplicate/near duplicate examples of a mass-mail campaign. CDC will carefully consider all comments submitted into the docket. CDC does not accept comment by email.

Oral Public Comment: The public is welcome to participate during the public comment period, from 2:00 p.m. to 2:15 p.m. EDT on August 4, 2020. Please note that the public comment period ends at the time indicated above. Comments should be specifically related to the National Firefighter Registry protocol draft report which can be found in docket number NIOSH–278 or by visiting the subcommittee website: <https://www.cdc.gov/niosh/bbsc/nfrs/>. Each commenter will be provided up to five minutes for comment. A limited number of time slots are available and will be assigned on a first come-first served basis.

Procedure for Oral Public Comment: Members of the public who wish to address the NIOSH BSC are requested to contact the Executive Secretary for scheduling purposes (see contact information above).

Written Public Comment: Written comments will also be accepted from those unable to attend the public session per the instructions provided in the address section above. Written comments received in advance of the meeting will be included in the official record of the meeting.

Matters to be Considered: The agenda for the meeting addresses occupational safety and health issues related to: The Board of Scientific Counselors Subcommittee for the National Firefighter Registry (the Subcommittee) report pertaining to the protocol including the questionnaire, enrollment process, and data sharing. The Subcommittee will present their report and recommendations to BSC, who will

then discuss and finalize the report and recommendations to the NIOSH Director. Agenda items are subject to change as priorities dictate. For more information on the meeting agenda visit the NIOSH website (<http://www.cdc.gov/niosh/bbsc/>).

**Agency Information Collection
Activities: Proposed Collection;
Comment Request**

AGENCY: Centers for Medicare &
Medicaid Services, HHS.

ACTION: Notice.

SUMMARY: The Centers for Medicare &
Medicaid Services (CMS) is announcing
an opportunity for the public to
comment on CMS' intention to collect
information from the public. Under the
Paperwork Reduction Act of 1995 (the
PRA), federal agencies are required to
publish notice in the **Federal Register**
concerning each proposed collection of
information (including each proposed
extension or reinstatement of an existing
collection of information) and to allow
60 days for public comment on the
proposed action. Interested persons are
invited to send comments regarding our
burden estimates or any other aspect of
this collection of information, including
the necessity and utility of the proposed
information collection for the proper
performance of the agency's functions,
the accuracy of the estimated burden,
ways to enhance the quality, utility, and
clarity of the information to be
collected, and the use of automated
collection techniques or other forms of

information technology to minimize the
information collection burden.

DATES: Comments must be received by
August 21, 2020.

ADDRESSES: When commenting, please
reference the document identifier or
OMB control number. To be assured
consideration, comments and
recommendations must be submitted in
any one of the following ways:

1. *Electronically.* You may send your
comments electronically to [http://
www.regulations.gov](http://www.regulations.gov). Follow the
instructions for "Comment or
Submission" or "More Search Options"
to find the information collection
document(s) that are accepting
comments.

2. *By regular mail.* You may mail
written comments to the following
address: CMS, Office of Strategic
Operations and Regulatory Affairs,
Division of Regulations Development,

Under the PRA (44 U.S.C. 3501-
3520), federal agencies must obtain
approval from the Office of Management
and Budget (OMB) for each collection of
information they conduct or sponsor.
The term "collection of information" is
defined in 44 U.S.C. 3502(3) and 5 CFR
1320.3(c) and includes agency requests
or requirements that members of the
public submit reports, keep records, or
provide information to a third party.
Section 3506(c)(2)(A) of the PRA
requires federal agencies to publish a
60-day notice in the **Federal Register**
concerning each proposed collection of
information, including each proposed
extension or reinstatement of an existing
collection of information, before
submitting the collection to OMB for
approval. To comply with this
requirement, CMS is publishing this
notice.

Information Collection

1. *Type of Information Collection
Request:* Revision with change of a
previously approved collection; *Title:*
Part C Medicare Advantage Reporting
Requirements and Supporting
Regulations in 42 CFR 422.516(a); *Use:*
Section 1852(m) of the Social Security
Act (the Act) and CMS regulations at 42
CFR 422.135 allow Medicare Advantage
(MA) plans the ability to provide
"additional telehealth benefits" to
enrollees starting in plan year 2020 and
treat them as basic benefits. MA
additional telehealth benefits are
limited to services for which benefits
are available under Medicare Part B but
which are not payable under section
1834(m) of the Act. In addition, MA
additional telehealth benefits are
services that been identified by the MA
plan for the applicable year as clinically
appropriate to furnish through
electronic information and
telecommunications technology (or
"electronic exchange") when the
physician (as defined in section 1861(r)
of the Act) or practitioner (as defined in
section 1842(b)(18)(C) of the Act)
providing the service is not in the same
location as the enrollee. Per
§ 422.135(d), MA plans may only
furnish MA additional telehealth
benefits using contracted providers.

The data collected in this measure
will provide CMS with a better
understanding of the number of
organizations utilizing Telehealth per
contract and to also capture those
specialties used for both in-person and
Telehealth. This data will allow CMS to
improve its policy and process
surrounding Telehealth. In addition, the
