

substantially similar to FINRA rules; and confirm that the remaining rules on the list of Common Rules continue to be MEMX rules that are substantially similar to FINRA rules.¹⁵ FINRA will then confirm in writing whether the rules listed in any updated list are Common Rules as defined in the Plan. Under the Plan, MEMX will also provide FINRA with a current list of common members and shall update the list no less frequently than once each quarter.¹⁶ The Commission believes that these provisions are designed to provide for continuing communication between the Parties to ensure the continued accuracy of the scope of the proposed allocation of regulatory responsibility.

The Commission is hereby declaring effective a Plan that, among other things, allocates regulatory responsibility to FINRA for the oversight and enforcement of all MEMX rules that are substantially similar to the rules of FINRA for common members of MEMX and FINRA. Therefore, modifications to the Certification need not be filed with the Commission as an amendment to the Plan, provided that the Parties are only adding to, deleting from, or confirming changes to MEMX rules in the Certification in conformance with the definition of Common Rules provided in the Plan. However, should the Parties decide to add an MEMX rule to the Certification that is not substantially similar to a FINRA rule; delete an MEMX rule from the Certification that is substantially similar to a FINRA rule; or leave on the Certification an MEMX rule that is no longer substantially similar to a FINRA rule, then such a change would constitute an amendment to the Plan, which must be filed with the Commission pursuant to Rule 17d-2 under the Act.¹⁷

IV. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4-762. The Parties shall notify all members affected by the Plan of their rights and obligations under the Plan.

It is therefore ordered, pursuant to Section 17(d) of the Act, that the Plan in File No. 4-762, between FINRA and MEMX, filed pursuant to Rule 17d-2 under the Act, is approved and declared effective.

¹⁵ See paragraph 2 of the Plan.

¹⁶ See paragraph 3 of the Plan.

¹⁷ The Commission also notes that the addition to or deletion from the Certification of any federal securities laws, rules, and regulations for which FINRA would bear responsibility under the Plan for examining, and enforcing compliance by, common members, also would constitute an amendment to the Plan.

It is further ordered that MEMX is relieved of those responsibilities allocated to FINRA under the Plan in File No. 4-762.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁸

Applicants’ Representations

1. The Initial Fund is a Delaware statutory trust that is registered under the Act as a non-diversified, closed-end management investment company. The Initial Fund’s primary investment objective will be to generate capital appreciation over the medium- and long-term through investments in private assets globally.

2. The Adviser, a Pennsylvania limited liability company, is registered as an investment adviser under the Investment Advisers Act of 1940, as amended (the “Advisers Act”). The Adviser will serve as investment adviser to the Initial Fund.

3. Applicants seek an order to permit the Initial Fund to issue multiple classes of shares of beneficial interest with varying sales loads and to impose asset-based distribution and/or service fees and early repurchase fees.

4. Applicants request that the order also apply to any continuously offered registered closed-end management investment company that has been previously organized or that may be organized in the future for which the Adviser, or any entity controlling, controlled by, or under common control with the Adviser, or any successor in interest to any such entity,¹ acts as investment adviser and which provides periodic liquidity with respect to its shares pursuant to rule 13e-4 under the Securities Exchange Act of 1934 (each,

¹ A successor in interest is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

a “Future Fund” and together with the Initial Fund, the “Funds”).²

5. The Initial Fund will initially will register three classes of shares, “Class R Shares”, “Class C Shares” and “Class I Shares.” Shares of the Initial Fund will be sold only to persons who are “accredited investors,” as defined in Regulation D under the Securities Act of 1933, and “qualified clients,” as defined in the Advisers Act. The Funds will offer their Shares continuously at a price based on net asset value. Shares of the Funds will not be listed on any securities exchange nor quoted on any quotation medium. The Funds do not expect there to be a secondary trading market for their shares.

6. Applicants state that if the Initial Fund’s initial registration statement is declared effective prior to receipt of the requested relief, the Initial Fund will only offer one class of shares, Class R Shares, until receipt of the requested relief. Each of Class R Shares, Class C Shares and Class I Shares will have its own fee and expense structure. Additional offerings by any Fund relying on the order may be on a private placement or public offering basis.

7. Applicants state that, from time to time, the Initial Fund may create additional classes of shares, the terms of which may differ between Class R Shares, Class C Shares and Class I Shares pursuant to and in compliance with rule 18f–3 under the Act.

8. Applicants state that shares of a Fund may be subject to an early repurchase fee (“Early Repurchase Fee”) at a rate of no greater than 2% of the shareholder’s repurchase proceeds if the interval between the date of purchase of the shares and the valuation date with respect to the repurchase of those shares is less than one year.³ Any Early Repurchase Fee will apply equally to all classes of shares of a Fund, in compliance with section 18 of the Act and rule 18f–3 thereunder. To the extent a Fund determines to waive, impose scheduled variations of, or eliminate any Early Repurchase Fee, it will do so in compliance with the requirements of rule 22d–1 under the Act as if the Early

² Any Fund relying on this relief in the future will do so in compliance with the terms and conditions of the application. Applicants represent that each entity presently intending to rely on the requested relief is listed as an applicant.

³ Applicants state that an Early Repurchase Fee charged by a Fund is not the same as a contingent deferred sales load (“CDSL”) assessed by an open-end fund pursuant to rule 6c–10 under the Act, as CDSLs are distribution-related charges payable to a distributor, whereas the Early Repurchase Fee is payable to the Fund to compensate long-term shareholders for the expenses related to shorter term investors, in light of the Fund’s generally longer-term investment horizons and investment operations.

Repurchase Fee were a CDSL and as if the Fund were an open-end investment company and the Fund’s waiver of, scheduled variation in, or elimination of, any such Early Repurchase Fee will apply uniformly to all shareholders of the Fund regardless of class. Applicants state that the Initial Fund intends to impose an Early Repurchase Fee of 2%.

9. Applicants represent that any asset-based service and/or distribution fees for each class of shares of the Funds will comply with the provisions of the FINRA Rule 2341(d) (“FINRA Sales Charge Rule”).⁴ Applicants also represent that each Fund will disclose in its prospectus the fees, expenses and other characteristics of each class of shares offered for sale by the prospectus, as is required for open-end multiple class funds under Form N–1A. As is required for open-end funds, each Fund will disclose its expenses in shareholder reports, and describe any arrangements that result in breakpoints in or elimination of sales loads in its prospectus.⁵ In addition, applicants will comply with applicable enhanced fee disclosure requirements for fund of funds, including registered funds of hedge funds.⁶

10. Each of the Funds will comply with any requirements that the Commission or FINRA may adopt regarding disclosure at the point of sale and in transaction confirmations about the costs and conflicts of interest arising out of the distribution of open-end investment company shares, and regarding prospectus disclosure of sales loads and revenue sharing arrangements, as if those requirements applied to the Fund. In addition, each Fund will contractually require that any distributor of the Fund’s shares comply with such requirements in connection with the distribution of such Fund’s shares.

⁴ Any reference to the FINRA Sales Charge Rule includes any successor or replacement to the FINRA Sales Charge Rule.

Applicants’ Legal Analysis

Multiple Classes of Shares

1. Section 18(a)(2) of the Act provides that a closed-end investment company may not issue or sell a senior security that is a stock unless certain requirements are met. Applicants state that the creation of multiple classes of shares of the Funds may violate section 18(a)(2) because the Funds may not meet such requirements with respect to a class of shares that may be a senior security.

2. Section 18(c) of the Act provides, in relevant part, that a closed-end investment company may not issue or sell any senior security if, immediately thereafter, the company has outstanding more than one class of senior security. Applicants state that the creation of multiple classes of shares of the Funds may be prohibited by section 18(c), as a class may have priority over another class as to payment of dividends because shareholders of different classes would pay different fees and expenses.

3. Section 18(i) of the Act provides that each share of stock issued by a registered management investment company will be a voting stock and have equal voting rights with every other outstanding voting stock. Applicants state that multiple classes of shares of the Funds may violate section 18(i) of the Act because each class would be entitled to exclusive voting rights with respect to matters solely related to that class.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction or any class or classes of persons, securities or transactions from any provision of the Act, or from any rule or regulation under the Act, if and to the extent such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants request an exemption under section 6(c) from sections 18(a)(2), 18(c) and 18(i) to permit the Funds to issue multiple classes of shares.

5. Applicants submit that the proposed allocation of expenses relating to distribution and voting rights among multiple classes is equitable and will not discriminate against any group or class of shareholders. Applicants submit that the proposed arrangements would permit a Fund to facilitate the distribution of its securities and provide investors with a broader choice of shareholder services. Applicants assert that the proposed closed-end investment company multiple class structure does not raise the concerns

underlying section 18 of the Act to any greater degree than open-end investment companies' multiple class structures that are permitted by rule 18f-3 under the Act. Applicants state that each Fund will comply with the provisions of rule 18f-3 as if it were an open-end investment company.

Asset-Based Distribution and/or Service Fees

1. Section 17(d) of the Act and rule 17d-1 under the Act prohibit an affiliated person of a registered investment company, or an affiliated person of such person, acting as principal, from participating in or effecting any transaction in connection with any joint enterprise or joint arrangement in which the investment company participates unless the Commission issues an order permitting the transaction. In reviewing applications submitted under section 17(d) and rule 17d-1, the Commission considers whether the participation of the investment company in a joint enterprise or joint arrangement is consistent with the provisions, policies and purposes of the Act, and the extent to which the participation is on a basis different from or less advantageous than that of other participants.

2. Rule 17d-3 under the Act provides an exemption from section 17(d) and rule 17d-1 to permit open-end investment companies to enter into distribution arrangements pursuant to rule 12b-1 under the Act. Applicants request an order under section 17(d) and rule 17d-1 under the Act to the extent necessary to permit the Fund to impose asset-based distribution and/or service fees. Applicants have agreed to comply with rules 12b-1 and 17d-3 as if those rules applied to closed-end investment companies, which they believe will resolve any concerns that might arise in connection with a Fund financing the distribution of its shares through asset-based distribution fees.

3. For the reasons stated above, applicants submit that the exemptions requested under section 6(c) are necessary and appropriate in the public interest and are consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants also state that the Funds' imposition of asset-based distribution and/or service fees is consistent with the provisions, policies and purposes of the Act and does not involve participation on a basis different from or less advantageous than that of other participants.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Each Fund relying on the order will comply with the provisions of rules 6c-10, 12b-1, 17d-3, 18f-3, 22d-1, and, where applicable, 11a-3 under the Act, as amended from time to time, as if those rules applied to closed-end management investment companies, and will comply with the FINRA Sales Charge Rule, as amended from time to time, as if that rule applied to all closed-end management investment companies.

For the Commission, by the Division of Investment Management, under delegated authority.
