BILLING CODE 6351-01-P

DEPARTMENT OF DEFENSE

Department of the Army, Corps of Engineers

Sabine Neches Navigation District User Fee Notice

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Notice.

SUMMARY: The Water Resources Reform and Development Act (WRRDA) of 2014 authorizes a non-federal interest to levy port or harbor dues in the form of tonnage duties or fees in conjunction with a harbor navigation project whose usable increment of the project is complete to finance the cost, construction or maintenance of the project. The Sabine-Neches Navigation District (SNND) is a political subdivision of the State of Texas and the non-federal sponsor of the Sabine-Neches Waterway Channel Improvement Project (SNWW CIP). The SNND anticipates completion of the first usable increment of the SNWW CIP in the next 180 days. Upon completion of the first usable increment, SNND intends to levy port or harbor dues pursuant to 33 U.S.C. 2236. Notification in the **Federal Register** prior to an initial levy of port or harbor dues is required by the statute.

DATES: A public hearing on the proposed user fee ordinance will be held at 3:30 p.m. on August 11, 2020, in the manner and location specified in the **ADDRESSES** section of this Notice.

The public comment period will end upon the close of business at 5 p.m. (CST), August 28, 2020. Written comments must be received by the District on or before that date to be considered before the user fee ordinance becomes effective.

ADDRESSES: The public hearing will be held at 8180 Anchor Drive, Port Arthur,

TX 77642. Pursuant to orders issued by the Governor of Texas related to combatting the spread of Covid-19, arrangements will be made for attendance at the public meeting by electronic means. Details regarding participation by electronic means will be posted on SNND's website: www.navigationdistrict.org.

Public comments concerning the proposed users' fee ordinance should be directed in writing to Mr. Randall Reese, Executive Director and CEO Sabine-Neches Navigation District, 8180 Anchor Drive, Port Arthur, TX 77642, with a copy to Ms. Franchelle Nealy, Galveston District, U.S. Army Corps of Engineers, 2000 Fort Point Road, Galveston, TX 77550.

FOR FURTHER INFORMATION CONTACT: All comments and requests for further information on the proposal must be directed in writing to the Executive Director and CEO of SNND. His contact information follows: Mr. Randall Reese, Executive Director and CEO Sabine-Neches Navigation District, 8180 Anchor Drive, Port Arthur, TX 77642; Telephone: 409-729-4588; email: rreese@navigationdistrict.org. Alternatively, contact Ms. Franchelle Nealy, in writing at the Galveston District, U.S. Army Corps of Engineers, ATTN: Ms. Franchelle Nealy, 2000 Fort Point Road, Galveston, TX 77550; Telephone: 409-766-3817; and by email at franchelle.e.craft@usace.army.mil.

SUPPLEMENTARY INFORMATION: The U.S. Army Corps of Engineers (USACE) Galveston District published the Final Feasibility Report/Final Environmental Impact Statement for SNWW CIP (USACE, 2011) in March 2011, the Chief of Engineers Report (Chief's Report) was signed in July 2011, and the Record of Decision was signed in February 2012. The Congressional approval of the construction of the SNWW CIP (authorization for construction) was provided in Section 7002(1) of the Water Resources Reform and Development Act (WRRDA) of 2014, Public Law 113-121. The SNWW CIP's new start construction was funded in Fiscal Year (FY) 2019 by the Army Civil Works Program FY 2019 Work Plan. The SNND and the USACE signed the Project Partnership Agreement for SNWW CIP on or about July 27, 2019. Additional funding for construction of the SNWW CIP was provided in the FY 2020 Work Plan.

Construction of the first usable increment of SNWW CIP, an anchorage basin, has begun. Upon completion of this anchorage basin, SNND intends to begin to levy port or harbor dues pursuant to 33 U.S.C. 2236. 33 U.S.C.

2236(a)(5)(A) requires that SNND, as the non-federal sponsor, transmit to the Secretary of the Army for public notice the proposed ordinance before the initial levy of port or harbor dues.

Proposed Ordinance:

Sabine Neches Navigation District User Fee Ordinance. An Ordinance Setting Out the Need for and Levying of a User Service Fee on Cargo, Placing Responsibility for Reporting and Collection of the Fee on Receiving and Shipping Terminals and Providing a Misdemeanor Penalty for Failure To File the Required Reports or Pay the User Fee in the Sabine Neches Navigation District

Whereas the Sabine Neches Navigation District ("Navigation District") is the designated non-federal sponsor ("sponsor") for the Sabine Neches Waterway Channel Improvement Project for the Sabine Neches Waterway authorized in the Water Resources Reform and Development Act of 2014 ("Project"); and

Whereas the Texas Legislature implemented Senate Bill 1137 authorizing the Navigation District to serve as the sponsor for the Project and perform all necessary duties as the sponsor to satisfy its obligations as the local sponsor; and

Whereas the Project is projected to generate an additional \$57 billion in gross product and 465,000 U.S. jobs; and

Whereas the Navigation District will be responsible for funding its required cost share of the total Project cost including payment of 30 percent of the total cost; and

Whereas 33 U.S.C. 2236 authorizes a non-federal interest to levy port or harbor dues in the form of tonnage duties or fees in conjunction with a port or harbor navigation project whose usable increment of the project is complete to finance the cost, construction or maintenance of the Project; and

Whereas the Navigation District intends to complete an increment of the Project to create a new anchorage basin to be located on the Neches River and referenced in section VI page 16 of the March 11, 2011, Final Feasibility Report to benefit all vessels whose design draft exceed 20 feet; and

Whereas the levy of port or harbor dues authorized by 33 U.S.C. 2236 may be applied to all vessels comparable in size to those vessels used to justify the completed construction of a usable increment of the Project;

Whereas the Board has considered matters such as elapsed time of passage,

safety of passengers and cargo, vessel economy of scale, under keel clearance, vessel draft, vessel squat, speed, sinkage and the cost of construction, operations, and the value of the services of the vessel and cargo; and

Whereas all vessels comparable in size to those vessels used to justify the completed construction of an anchorage basin benefit from the anchorage basin as a usable increment of the Project, a User Fee of 0.35 per ton reflects the benefits provided by the Project to vessels whose design draft exceeds 20 feet.

Now be it ordained by the navigation and Canal Commissioners of the Sabine Neches Navigation District:

Authority and Jurisdiction

The geographical boundaries of the Navigation District include an area that is co-extensive with Jefferson County, Texas, and the Navigation District exercises jurisdiction over the adjacent waterways, the nonpublic terminals and all vessels using the Sabine Neches Waterway Channel ("Waterway").

The Navigation District has the power and authority to regulate and fix charges for the use of the Waterway. The Navigation District is authorized to make and enforce rules and regulations to facilitate navigation and commerce, to every User. All vessels whose design draft exceeds 20 feet using the Waterway shall conform to this User Fee Ordinance ("Ordinance"), which establishes a user fee for the financing of the improvement Project ("User Fee"). All Users of the Waterway, by their use, consent to be bound by this Ordinance including these rules and regulations as they exist or may be amended from time to time.

The Board of Commissioners of the Sabine Neches Navigation District is authorized by Article 16, Section 59, of the Constitution of the State of Texas, Chapter 60 of the Texas Water Code, and the Acts of the 83rd Legislature Regular Session HB 1137 to act as the local sponsor for the Project.

Refusal or failure to comply with these rules and regulations may result in any action deemed appropriate or advisable by the Sabine-Neches Navigation District in consultation with the United States Coast Guard Captain of the Port of Port Arthur and other relevant authorities. The Navigation District may employ all legal means within its power to collect fees including the use of liens, penalties and fines. Misdemeanor criminal penalties may be assessed for failure to file the required reports or pay the required User Fee.

General Application

The use of the Sabine Neches Waterway constitutes an acceptance by the User of all charges, rules, and regulations published in this Ordinance. The charges, rules, and regulations published in this Ordinance apply on all cargo moving to and from terminals on the Waterway and shall apply equally to all facilities and terminals on the Waterway.

Waterway User Fee

A User Fee will be assessed against and collected on cargos of all transiting vessels whose design draft exceeds 20 feet loading or discharging at terminals or facilities on the Sabine Neches Waterway, beginning on a date after the completion of the first new anchorage as a usable increment of the Project in order to finance costs associated with the Project.

The User Fee authorized by this resolution does not apply to (i) vessels owned, chartered, or operated by the United States Government, a foreign country, a state, or a political subdivision of a country or State, unless engaged in commercial services; (ii) vessels engaged in towing, dredging or channel maintenance activities, (iii) vessels carrying solely non-hydrocarbon cargo, (iv) vessels engaged in intra-port movements; or (v) vessels with design drafts of 20 feet or less. For purposes of this Ordinance, "hydrocarbon" means oil, gas, ethanol, methanol, a commodity or thing made or manufactured-in whole or part-from oil or gas, and derivatives or by-products or fractions of oil or gas all regardless of their physical form and including mixtures of any or all of the above.

The User Fee authorized by this ordinance will expire on January 1, 2049, or upon final payment of all financing associated with the Project, whichever occurs first.

The User Fee is assessed for services including, but not limited to, meeting the financial responsibility of acting as the local sponsor for the Project.

The User Fee will be assessed as a tonnage fee on cargo loaded or discharged through a terminal. The User Fee will be assessed as follows:

Cargo

Break-bulk: \$0.35 short ton
Bulk: \$0.35 short ton
Liquid Bulk: \$0.35 short ton

Responsibility for Payment of User Fee

The owner, shipper, and consignee of the cargo are jointly responsible for payment of this User Fee. The Navigation District, however, cannot recognize the numerous shippers or

consignees who may be responsible for the User Fee; therefore, the User Fee must be collected for and remitted to the Navigation District by the terminal where the cargo was received, loaded to, or unloaded from. The delivery or acceptance of the Cargo renders its owner's, shippers and consignee, jointly and severally liable, as guarantors, for payment of the User Fee along with the terminal.

Payment Procedure

On the 15th of the month following transfer of the cargo either to or from the terminals on the Waterway, the terminal involved will forward to the Navigation District funds for the total amount of the User Fees upon cargo that crossed the terminal's dock for the preceding month, along with a verified statement of the amount owed for the incurred User Fees for the preceding month. The terminal that receives or ships the cargo is a guarantor of the User Fee and the Navigation District may collect from the terminal without first proceeding against the cargo or its carrier. This verified statement will be submitted to the Navigation District on a form promulgated by the Navigation District and the accuracy of the information provided on the form shall be certified under penalties of perjury.

Terminals shall keep records of the amounts owed for the User Fee for a period of three years and make them available for audit by the Navigation District. The data and fees paid are subject to audit by the Navigation District and the terminal will cooperate with the Navigation District's audit.

All Users and owners of private facilities and terminals shall be required to permit Navigation District representatives reasonable access to manifests of cargo, receiving reports and all other documents necessary to audit and ascertain the correctness of User Fees remitted.

Finance Charge

All fees are due and payable upon the 15th of the month following the use of the Waterway. Any User Fee incurred, which is unpaid thirty (30) days from that date, shall be deemed to be delinquent.

Any amount that is unpaid on or after thirty (30) days from the date due will be assessed an interest charge of twelve percent (12%) per annum of the amount of the fee due, and shall be due and owing from the date of delinquency until paid. Such interest charges shall be calculated on a per annum basis of three hundred sixty-five (365) days.

Venue and Attorney Fees

Additionally, should it become necessary for the Navigation District to file suit to collect any delinquent User Fees or to enforce any provision of this Ordinance, the party obligated herein to pay such User Fees under this section or the party against whom enforcement of the User Fee is sought consents to such suit being filed in the appropriate Federal District Court in Jefferson County, Texas. The Navigation District shall be entitled to recover reasonable attorney fees from the person sued under this provision.

Criminal Penalties (Texas Water Code § 60.078)

The failure to file accurate reporting forms or to remit User Fees required by this Ordinance shall be a misdemeanor. Punishment of the misdemeanor will be by a fine of not more than \$200.00 for each offense or violation. Each failure to file the required accurate report form or pay any User Fee is a separate violation.

Severability

If any provision of this Ordinance or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Ordinance that can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are severable.

Notice

Pursuant to § 60.075(c) of the Texas Water Code, a descriptive caption stating the purpose of this Ordinance and penalty for its violation will be published for a ten (10) day period following the passage in every issue of the Beaumont Enterprise, a newspaper of general circulation in the Navigation District.

This User Fee Ordinance was passed at a Regular Meeting of the Commissioners of the Sabine Neches Navigation District held on the

Approved by:

R.D. James,

Assistant Secretary of the Army (Civil Works).

BILLING CODE 3720-58-P

DEPARTMENT OF EDUCATION

Notice Inviting Applications (NIA) for the FY 2020 Education Stabilization Fund—Reimagine Workforce Preparation (ESF-RWP) Grants Program

AGENCY: Office of Career, Technical, and Adult Education, Department of Education.

ACTION: Supplemental notice.

SUMMARY: The Department of Education (Department) is issuing an NIA for eligible applicants for the FY 2020 ESF-RWP Grants program under section 18001(a)(3) of Division B of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Catalog of Federal Domestic Assistance (CFDA) number 84.425G. This notice relates to the approved information collection under OMB control number 1894-0006. This supplemental notice supersedes the notice published on April 27, 2020 at <https://oese.ed.gov/offices/education-stabilization-fund/states-highest-coronavirus-burden/>.

DATES:

Applications Available: June 23, 2020.

Deadline for Notice of Intent to Apply: July 13, 2020.

Deadline for Transmittal of Applications: August 24, 2020.

ADDRESSES: Pre-Application

Information: The Department will post additional information for prospective applicants on the ESF-RWP program website: <https://cte.ed.gov/grants/funding-opportunities>.

For the addresses for obtaining and submitting an application, please refer to our Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the **Federal Register** on February 13, 2019 (84 FR 3768) and available at www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf.

The addresses pertinent to this program, including the addresses for obtaining and submitting an application, can be found under

SUPPLEMENTARY INFORMATION.

FOR FURTHER INFORMATION CONTACT: Erin Berg, U.S. Department of Education, 400 Maryland Avenue SW, Room 11113, PCP, Washington, DC 20202. Telephone: (202) 245-6792. Email: ESF-RWP@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service (FRS), toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the ESF-RWP Grants program is to provide support to help States with the highest coronavirus¹ burden create or expand short-term education and training opportunities and/or career pathways programs that help citizens return to work, become entrepreneurs, or expand their small businesses (as described under Absolute Priority 1); or to enable States to create or expand small business incubators that offer education and training, mentorship, as well as shared facilities and resources that will help small businesses recover and grow and new entrepreneurs thrive (as described under Absolute Priority 2).

Short-term educational programs or career pathways programs created or expanded under Absolute Priority 1 of this program must lead to certificates, badges, micro-credentials, licenses, or other workplace-relevant credentials that respond to the needs of employers or facilitate entrepreneurship. By definition, career pathways programs must also enable participants who have not already completed a high school diploma or equivalent to earn such a diploma or equivalent. Short-term educational and career pathways programs supported under this program must create opportunities for individuals to more rapidly prepare for, and over time adapt to, changing workplace needs or to start or grow a small business.

Grant funds may be used under Absolute Priority 1 to develop and implement short-term education and training programs and/or career pathways programs, hire qualified instructors, procure necessary equipment and supplies, and subsidize tuition and fees for individuals enrolled in these or existing short-term educational, workforce development or career pathways programs so that they can quickly gain entry to the workforce or become entrepreneurs without taking on debt. Funds may also be used to provide student uniforms, protective gear, student support services and transportation vouchers for all students, as well as childcare support for student-parents who are enrolled in education and training programs supported by programs developed under this grant program.

Unlike traditional degree and certificate programs which are typically designed by educators, this grant program is designed to support efforts led by State Workforce Development

¹ See CARES Act, Sec. 18001(a)(3).
