Annual reports from designated program sponsors assist the Department in oversight and administration of the J–NONIMMIGRANT Exchange Visitor Program. The reports provide qualitative data on the number of exchange participants an organization sponsored annually per category of exchange. The reports also provide a summary of the activities in which exchange visitors were engaged and indicate information about program effectiveness. Program sponsors include government agencies, academic institutions, and private sector not-for-profit and for-profit entities.

Methodology

Annual reports are completed through the Student and Exchange Visitor Information System (SEVIS) and then printed and signed by a sponsor official, and sent to the Department by email, mail, or fax.
