Risk Management Agency

Title: Subpart U—Ineligibility for Programs under the Federal Crop Insurance Act.

OMB Control Number: 0563–0085.

Summary of Collection: The Federal Crop Insurance Corporation (FCIC) is a wholly-owned Government corporation created February 16, 1938 (7 U.S.C. 1501). The program was amended previously, but Public Law 96–365, dated September 26, 1980, provided for nationwide expansion of a comprehensive crop insurance program. The Federal Crop Insurance Act, as amended in later years further expanded this role of the crop insurance program to be the principal tool for risk management by producers of agricultural commodities.

Need and Use of the Information: The purpose of collecting the information is to ensure persons that are ineligible for benefits under the Federal crop insurance program are accurately identified as such and do not obtain benefits to which they are not eligible. A person can become ineligible for benefits for three reasons: (1) Debt on unpaid premium or overpaid indemnity (information provided by AIP); (2) Debt on unpaid CAT fee (information provided by AIP); and (3) Debarment/disqualification/suspension, including but not limited to judgement, civil fines, etc. The Federal Crop Insurance Corporation and AIPs use the information collected to determine whether a person seeking to obtain Federal crop insurance coverage are ineligible for such coverage according to the statutory/regulatory mandates identified. Failure to collect the applicable information could result in unearned Federal benefits being issued.

Description of Respondents: Businesses or other for-profits.

Number of Respondents: 14.

Frequency of Responses: On occasions; Annually.

Total Burden Hours: 2,647.
